author of From Strength to Strength Our greatest need is to be recognized to be seen loved and embedded in rich

relationships with those around us But for the last century we ve displaced that need with the ease of technology We ve

dreamed of mastery without relationship what the premodern world called magic and abundance without dependence what

Jesus called Mammon Yet even before a pandemic disrupted that quest we felt threatened and strangely out of place lonely

anxious bored amid endless options oddly disconnected amid infinite connections In The Life We re Looking For bestselling

author Andy Crouch shows how we have been seduced by a false vision of human flourishing and how each of us can fight

power and devices There is a way out of our impersonal world into a world where knowing and being known are the

heartbeat of our days our households and our economies Where our vulnerabilities are seen not as something to be escaped

but as the key to our becoming who we were made to be together Where technology serves us rather than masters us and

helps us become more human not less Looking Up When Life Gets You Down Warren W. Wiersbe,2012-06 Bestselling author shows readers that with God as their source of comfort strength and hope they can weather the storms of life
