Looking for a God to Pray to William E. Reiser, 1994-01-01 Why are people turning to things like New Age spirituality Has the gospel nothing to offer them Indeed it does affirms Reiser if we take the time to appreciate the story of Jesus in its challenging depth Reiser's new book calls for a spirituality that includes a fresh way of conceiving and talking about our relationship to God praying and today's world *Catholic Christian Spirituality for NEW AGE DUMMIES* Fr. Benjamin A. Vima, 2012-12-21 This book is about Catholic spirituality which the author christens it as Catholic Christian Spirituality which introduces this spirituality to those who dream about knowing it clearly and observing it validly and fruitfully but not fully realized their dream yet It is a compilation of the Catholic Christian Spirituality's Scriptural foundations its historical explications of the Church its multi dimensional applications and its inner and outer dynamics Definitely the sole difference of this book from others as the author writes is the fact that it is a book written with my red and warm blood as a personal journal of my experiential spirituality as a cradle New Age Catholic Though this post modern age is judged as one of the most secular ones even as many comment it is an age of irreligiosity there are actually millions of people around the globe being hungry for spirituality and earnestly looking for help with their inner lives Too many self declared sages propose too many strategies as they like Fr Vima observes in those dealings many are too extreme or too sentimental or too conservative and liberal or too wordy and theoretical With a heart of pastor serving in many parishes in the States he offers this book to the Catholic Christian friends who live move in this turbulent period This book is supposed to join in that group of works In no way it seeks to be exhaustive or conclusive handbook or textbook on Catholic Christian spirituality or any sort of spiritual guidance It consists of discussions on the basic elements of Catholic Christian spirituality its various types its motives and especially its dynamics The author underlines this book's uniqueness as he writes In human communication it is said one visual is worth thousand words **Catholicism in the Third Millennium** Thomas P.
