Kerr,Karola Dillenburger,2000 Clear focused and practical this book is a useful introduction to ABA for parents and professionals working with children with autism Successful child rearing is an essential skill for any parent For most of us this skill is handed down from our own parents and society in general In real terms this means that rather than relying on any formal instruction to help us we bring up our children using skills based largely upon common sense and a willingness to do our best These methods are by and large successful in everyday situations However when it comes to more difficult aspects of developing skills in our children

we need something more dependable than good will Applied Behaviour Analysis ABA the systematic implementation of scientifically proven behavioural principles offers just that Aimed at enhancing people s lives in ways that they or their carers feel are important it includes a variety of methods and techniques which can be used to promote decrease or maintain skills for daily living ABA has been used to help children with autism for many years in many countries In Northern Ireland the PEAT group offers parents the education necessary to become their own child s therapists using ABA In this book these parents and the professionals involved in their training share their knowledge experience and successes

The Cuckoo Sister Alison Stockham,2023-02-01 THE TOP 10 BESTSELLER an addictively gripping psychological thriller by Alison Stockham You want your sister to have all her heart desires But what if she wants your children Maggie has everything her sister Rose always wanted A handsome husband and two adorable children Emily and Elliot But what Rose doesn t see is that Maggie is struggling Every day is a fog of sleep loss and mess made by two tiny children Left alone in her distress by husband Stephen Maggie drifts ever closer to the edge When Maggie finally cracks walking out one day and not returning Rose is right there to step into the breach You trust your sister to look after your children But should you A page turning thriller to keep you guessing perfect for fans of Liane Moriarty and Celeste Ng Readers are loving The Cuckoo Sister It begins with a visceral shock and evolves through unexpected twists and turns to a deeply felt and satisfying conclusion

Greg Mosse author of The Coming Darkness This was a beautifully written debut that handles a difficult subject matter with a delicacy that makes me excited to read whatever Alison Stockham writes next

Stacy Thomas author of The Revels This book comes with a killer hook Sibling relationships post natal depression marriages with cracks that turn into fissures and the nature of friendship are all explored via a pacy storyline

Jo Leivers author of Tell Me How It Ends Stormed through The Cuckoo Sister by Alison Stockham A fascinating premise and she handles it admirably with nuance and compassion

Laura Pearson author of I Wanted You To Know Missing Pieces Nobody s Wife Beautifully poignant and utterly compelling

Alex Stone author of The Perfect Daughter and The Other Girlfriend An emotional and relatable story

Louise Douglas author of The Room in the Attic and The Lost Notebook Such a clever and engaging book with a late twist that I absolutely did not predict

Beth Miller author of The Missing Letters of Mrs Bright The Woman Who Came

Back To Life A brilliant concept delivered with real emotional depth and clout I felt for each and every character in this story of family guilt and deepest desires Gytha Lodge author of Little Sister Lie Beside Me Watching From The Dark She Lies in Wait An emotional read that pulls you in all directions I was completely absorbed from the first page Gemma Rogers I devoured The Cuckoo Sister in a day Cleverly written emotionally and psychologically complex It s a brilliant intense read Elspells Beautifully written interesting completely gripping This is definitely one that would be perfect for book clubs Little Miss Book Lover 87
