Looking For Mary Gabriel:

Looking for Mary Gabriel Carole Lawrence, 2025-08-22 In the tradition of Carson McCullers the author uses her own experience growing up with a mentally ill sister to pen this intensely moving novel Set in the heart of the deep South Looking for Mary Gabriel is the story of Bonita a young girl who desperately wants her family to be normal despite their strange behavior Bonita's little sister Mary does not act like the other neighborhood kids and Bonita vacillates between adoring her sister and hating her Likewise Bonita's mother is not exactly as warm and loving as one would hope a mother should be And Bonita's father's motives are suspect to say the least Almost inevitably a tragic act of violence shatters the family forever As this exquisitely written novel opens Bonita is preparing to bury her father and is looking back on a life that was shaped by secrets madness and lies This is a novel that will be passed along from friend to friend for Looking for Mary Gabriel captures perfectly the lonely young girl whose ultimate triumph over her unlucky past enriches all read of her **Gospel Theater for the Whole Community** Mary Kathleen Glavich, 2006 For parish leaders who want to turn their faith formation gatherings into fun and interactive teachable moments this invaluable resource is a must have Its ninety two short and easy to stage gospel plays can be reproduced for all parish catechetical gatherings **Hay & Stardust** Ruth Burgess, 2005-11-07 A collection of worship and meditation resources for the season of Christmastide including Christmas Day Holy Innocents Day Winter and New Year Epiphany Homelessness Sunday and Candlemas The Medieval European Stage, 500-1550 William Tydeman, 2001-09-27 This volume brings together a wide selection of primary source materials from the theatrical history of the Middle Ages The focus is on Western Europe between the fall of the Roman Empire and the emergence of markedly Renaissance forms in Italy Early sections of the volume are devoted to the survival of Classical tradition and the development of the liturgical drama of the Roman Catholic Church but the main concentration is on the genesis and growth of popular religious drama in the vernacular Each of the major medieval regions is featured while a final section covers the pastimes and customs of the people a record of whose traditional activities often only survives in the margins of official recognition The documents are compiled by a team of leading scholars in the field and the over 700 documents are all presented in modern English translation The God Squad Rik Isensee, 2000 Book Description for The God Squad At last A sharp and sexy satire that skewers the absurd methods used by the ex gay movement to make gays go straight In this hilarious send up of ex gay treatment programs a young man named Paul joins Escape run by the Reverend Sly Slocock While trying to convert other gays Paul meets Jimmy a feisty antagonist from Homo Nation who sets out to undermine Sly's increasingly bizarre attempts to cure Paul's homosexuality The God Squad is a racy romantic comedy spiced with irony intrigue and forbidden passion By exposing the fraudulent hypocrisy of ex gay ministries it also provides a refreshing antidote to the religious right's campaign against gays About the Author Rik Isensee practices psychotherapy in San Francisco and has worked with some clients in recovery from ex gay programs He is the author of three self help books for gay men Love Between Men Reclaiming

Women and the Gender of God Amy Peeler,2022-10-04 A robust theological argument against the assumption that God is male God values women While many Christians would readily affirm this truth the widely held assumption that the Bible depicts a male God persists as it has for centuries This misperception of Christianity not only perniciously implies that men deserve an elevated place over women but also compromises the glory of God by making God appear to be part of creation subject to it and its categories rather than in transcendence of it Through a deep reading of the incarnation narratives of the New Testament and other relevant scriptural texts Amy Peeler shows how the Bible depicts a God beyond gender and a savior who while embodied as a man is the unification in one person of the image of God that resides in both male and female Peeler begins with a study of Mary and her response to the annunciation through which it becomes clear that God empowers women and honors their agency Then Peeler describes from a theological standpoint how the virgin birth of Jesus the second Adam reverses the gendered division enacted in the garden of Eden While acknowledging the significance of the Bible s frequent use of Father language to represent God as a caring parent Peeler goes beneath the surface of this metaphor to show how God is never sexualized by biblical writers or described as being physically involved in procreation making the concept of a masculine God dubious at best From these doctrinal centers of Christianity Peeler leads the way in reasserting the value of women in the church and prophetically speaking out against the destructive idolatry of masculinity The Michael Ramsey Prize Longlist 2023 Mary-Virgin, Mother, and Queen Fr.
