Seeking Wisdom in Adult Teaching and Learning Wilma Fraser,2017-10-24 This book concerns the pursuit of wisdom in education and the argument that wisdom personified here as Sophia is tragically marginalised or absent in current Western epistemological discourses It includes a review of key historical and classical framings which have lost much potency and relevance as certain cultural narratives hold sway these include the reductionist technicist and highly instrumentalist discourses which shape the articulation and delivery of much education policy and practice whilst reflecting similar troubling framings from broader neoliberal perspectives Fraser argues that wisdom s marginalisation has had and continues to have profoundly deleterious consequences for our educative practices Through a compelling combination of narrative and autoethnographic techniques while also drawing on philosophical and cultural traditions the book pushes at the boundaries of emerging knowledge including how knowledge is generated It will be of interest to those who facilitate the learning of adults in a variety of settings as well as to students and supervisors seeking exemplars and justification for working in non traditional ways

Laoshi: Tai Chi, Teachers, and Pursuit of Principle Jan Kauskas,2014-05-01 The book is a kind of semifictional memoir Chapters reflect the author s own experiences gained in the pursuit of tai chi and other martial arts The text flows as a novel but with substance based solidly in reality applicable to anyone tai chi practitioner or not since the main theme is the pursuit of principle in everyday life Book Description A tai chi student explores the Dao of Zheng Manqing with the aid of his teacher Laoshi Through personal accounts reflection and dialogue with Laoshi we witness the novice s evolution in his search for the spirit of the art and the resulting bond forged with his instructor Together student and teacher examine the philosophical and martial aspects of tai chi They demonstrate what it means to pursue principle and they see the ease with which it can be lost to that trickster and provocateur the ego Engaging sincere and at times lighthearted this fictional memoir narrated from the student s perspective addresses themes familiar to all who study tai chi and the martial arts Laoshi is a journey into tai chi and a meditation on life and living without fear
