The 10-Day Skin Brushing Detox Mia Campbell, 2018-09-03 Skin brushing can make you feel amazing right from the first session If you do it right Dry skin brushing aka body brushing is an old naturopathic technique that you can do even when not feeling great It simply involves brushing the body all over with a firm brush Why Because it makes you look and feel absolutely amazing It works as a detox by stimulating the lymphatic and blood systems boosting metabolism and improving elimination through the skin the body's largest organ The lymph gets sluggish when we don't move much as it relies on muscles to move its contents Done incorrectly any detox can make you feel awful the side effects can be pretty rough This book shows you how to detox by using skin brushing without unpleasant side effects You will feel good from Day One By Day Ten you will have established a new health habit that you can build on A Unique New Method Of Dry Skin Brushing This book contains a unique method of brushing If you have done skin brushing before you may have been told to start at the feet and just brush towards the heart You'll find out why that isn't always the case and the exact way to brush every inch of your body This new method has been tried tested and refined by the author experienced aromatherapist and health coach Mia Campbell The Benefits The most famous reason for trying skin brushing is to eliminate cellulite That it can do and so much more including

conditions p Better digestion and elimination p Improved hormones p A feeling of wellbeing and an inner outer glow of vibrant energy p An overall detox p Reduced stress An incredible list of benefits and that isn't all of them Try it for yourself All you need is a brush between 10 and 15 and this book Why Do You Need This Book Here is the author's own experience I was suffering from a few health problems including chronic fatigue syndrome and took up skin brushing as part of a regime to improve my health I gave up caffeine at the same time The result was a headache so bad that I wanted to die I gave up skin brushing and the health drive and sloped back to bed I hadn't realized that taking up new health habits should be done gradually one at a time or you can be overwhelmed by the effects of the detox After I trained in aromatherapy and massage I understood more about detoxing I learned about manual lymphatic drainage and wondered why most articles that explain how to do skin brushing differed so much from the way that manual lymphatic drainage therapists work Over a period of time and experimentation on my willing clients I devised my own method of skin brushing It stimulates the lymphatic system without overloading it so makes you feel wonderful while detoxing which is pretty rare Check With Your Physician As always do check with a physician or other health professional before embarking on a new regimen that can affect your health
