Peace in the Dark Jessica Herberger, 2024-01-30. How do we stay faithful as we wait on God? The time after Good Friday but before Easter Sunday is one of the most overlooked portions of the Bible. We tend to rush ahead to the empty tomb seeking to find the resurrected Lord, but our lives don't come equipped with a fast-forward button. We all face seasons of waiting where we long for a new or better future. *Peace in the Dark* invites you to look again and acknowledge the reality of Holy Saturday. The example of the early disciples in those in-between hours offers a depth of wisdom about what to do when things have gone wrong. Their practices can serve us as we face our own disappointments, trials, and even traumatic experiences. There is a way to not just live but to experience peace when God seems silent. Rooted

in Scripture nature and her personal experiences of years of trial Jessica Herberger guides us through what was happening on that day why it matters and how we can approach our Holy Saturdays with hope and faithfulness **Boundless** Kathleen Winter,2016-10-11 In 2010 bestselling author Kathleen Winter Annabel embarked on a journey across the storied Northwest Passage among marine scientists historians archaeologists anthropologists and curious passengers From Greenland to Baffin Island and all along the passage Winter bears witness to the new math of the North where polar bears mates with grizzlies creating a new hybrid species where the earth is on the cusp of yielding so much buried treasure that five nations stand poised to claim sovereignty of the land and where the local Inuit population struggles to navigate the tension between taking part in the new global economy and defending their traditional way of life Throughout Winter s journey she learns from fellow passengers such as Aaju Peter and Bernadette Dean who teach her about Inuit society both past and present She bonds with Nathan Rogers son of the late Canadian icon Stan Rogers who died in a plane crash when Nathan was just a young boy Nathan s quest is to take the route his father never traveled expect in his beloved song The Northwest Passage which he performs both as anthem and lament at sea And she guides readers through her own personal odyssey emigrating from England to Canada as a child and discovering both what was lot and what was gained as a result of that journey In breathtaking prose charged with vivid descriptions of the land and its people Kathleen Winter s Boundless is a haunting and powerful homage to the ever evolving and magnetic power of the North *Do You Believe in Magic?* Jeff
