fans and the press Lewine explains Spain and the art of the bulls by spending a bullfighting season traveling Spanish highways with the celebrated matador Francisco Rivera Ord nez following Fran as he s known through every region and social stratum Fran s great grandfather was a famous bullfighter and the inspiration for Hemingway s matador in The Sun Also Rises Fran s father was also a star matador until a bull took his life shortly before Fran s eleventh birthday Fran is blessed and haunted by his family history Formerly a top performer himself Fran s reputation has slipped and as the season opens he feels intense pressure to live up to his legacy amid tabloid scrutiny in the wake of his separation from his wife a duchess But Fran perseveres through an eventful season of early triumph serious injury and an unlikely return to glory A New York Times Editor s Choice Praise for Death and the Sun May be the most in depth incisively written guide to bullfighting available in English Every drunken sophomore riding the rails to Pamplona this summer ought to keep a volume in his backpack New York Times Book Review Lewine demonstrates knowledge of and respect for the matador s dangerous profession E also explores the history of Spaine and the charms and contradictions evident within the country s exceptionally varied cultures and people Boston Globe Hemingway Michael Reynolds,2012-03-27 Reynolds s masterpiece in the making Library Journal concludes with a rich and sympathetic portrayal of Nobel Prize recipient Hemingway s final 20 years

Running with the Bulls Valerie Hemingway,2007-12-18 A chance encounter in Spain in 1959 brought young Irish reporter Valerie Danby Smith face to face with Ernest Hemingway The interview was awkward and brief but before it ended something had clicked into place For the next two years Valerie devoted her life to Hemingway and his wife Mary traveling with them through beloved old haunts in Spain and France and living with them during the tumultuous final months in Cuba In name a personal secretary but in reality a confidante and sharer of the great man s secrets and sorrows Valerie literally came of age in the company of one of the greatest literary lions of the twentieth century Five years after his death Valerie became a Hemingway herself when she married the writer s estranged son Gregory Now at last she tells the story of the incredible years she spent with this extravagantly talented and tragically doomed family In prose of brilliant clarity and stinging candor Valerie evokes the magic and the pathos of Papa Hemingway s last years Swept up in the wild revelry that always exploded around Hemingway Valerie found herself dancing in the streets of Pamplona cheering bullfighters at Valencia careening around hairpin turns in Provence and savoring the panorama of Paris from her attic room in the Ritz But it was only when Hemingway threatened to commit suicide if she left that she realized how troubled the aging writer was and how dependent he had become on her In Cuba Valerie spent idyllic days and nights typing the final draft of A Moveable Feast even as Castro s revolution closed in After Hemingway shot himself Valerie returned to Cuba with his widow Mary to sort through thousands of manuscript pages and smuggle out priceless works of art It was at Ernest s funeral that Valerie then a researcher for Newsweek met Hemingway s son Gregory and again a chance encounter drastically altered the course of her life Their twenty one year marriage finally unraveled as Valerie helplessly watched her husband succumb to the demons that

had plagued him since childhood From lunches with Orson Welles to midnight serenades by mysterious troubadours from a rooftop encounter with Castro to numbing hospital vigils Valerie Hemingway played an intimate indispensable role in the lives of two generations of Hemingways This memoir by turns luminous enthralling and devastating is the account of what she enjoyed and what she endured during her astonishing years of living as a Hemingway
