Andrew J. Mattill (Jr)

Luke And The Last Things A Perspective For The Understanding Of Lukan Thought 247p:

A Theology of Luke and Acts Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts. In his writing, Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world. It is a message the church still needs today. Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke-Acts to the New Testament and the canon of Scripture, providing readers with an in-depth and holistic grasp of Lukan theology in the larger context of the Bible. I. Howard Marshall: A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology. Craig S. Keener: Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology. **Luke and the Last Things**

Andrew Jacob Mattill, 1979 Acts: An Exegetical Commentary : Volume 1 Craig S. Keener, 2012-09-01 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research. This commentary on Acts, his magnum opus, may be the largest and most thoroughly documented Acts commentary available. Useful not only for the study of Acts but also early Christianity, this work sets Acts in its first-century context. In this volume, the first of four, Keener introduces the book of Acts, particularly historical questions related to it, and provides detailed exegesis of its opening chapters. He utilizes an unparalleled range of ancient sources and offers a wealth of fresh insights. This magisterial commentary will be a valuable resource for New Testament professors and students, pastors, Acts scholars, and libraries.

Stories with Intent Klyne Snodgrass, 2008-01-11 Stories with Intent offers pastors and students an accessible and comprehensive guide to Jesus' parables. Klyne Snodgrass explores in vivid detail the context in which these stories were told, the purpose they had in Jesus' message, and the ways they have been interpreted by the church and modern scholarship. While holding a consciously evangelical approach, Snodgrass deals throughout with a broad spectrum of opinions and interpretations. He begins by surveying the primary issues in parables interpretation, offering both a new, more functional classification system for Jesus' parables and guidelines for interpreting them. He provides an overview of other parables often neglected in the discussion, from the Old Testament Jewish writings and the Greco-Roman world. The remaining chapters group the longer and more important parables of Jesus thematically and give a comprehensive treatment of each, including background and significance for today.

Luke-Acts and New Testament Historiography Joel B. Green, Michael C. McKeever, 1994 This newest IBR bibliographical resource simplifies the hard work of sorting through the flood of recent publications in Lukan historical studies. Luke-Acts and New Testament Historiography combines the interlocking fields of New Testament and first-century church studies with bibliographic data and abstract-style reporting of more than five hundred works, including commentaries, surveys, histories, and monographs, divided for easy reference by approach and subject. Annotations describe the contents of each. *The Gospel of Luke*, 1989 Journal of Biblical Literature, 1981

Volumes for 1960 include Proceedings of the annual meetings of the Society **RIC.** ,1982 **Luke and the last things :**
