H. Markert, 2023-11-21 From J H Markert the author Peter Farris calls the clear heir to Stephen King Mister Lullaby brings our darkest dreams and nightmares to life In the vein of T Kingfisher and Christopher Golden the boundary protecting our world from the monsters on the other side is weakening and Mister Lullaby is about to break through The small town of Harrod's Reach has seen its fair share of the macabre especially inside the decrepit old train tunnel around which the town was built After a young boy Sully Dupree is injured in the abandoned tunnel and left in a coma the townspeople are determined to wall it up Deputy sheriff Beth Gardner is reluctant to buy into the superstitions until she finds two corpses at the tunnel's entrance each left with strange calling cards inscribed with old lullabies Soon after Sully Dupree briefly awakens from his coma Before falling back into his slumber Sully manages to give his older brother a message Sully's mind since the accident has been imprisoned on the other side of the tunnel in Lalaland a grotesque and

unfamiliar world inhabited by evil mythical creatures of sleep Sully is trapped there with hundreds of other coma patients all desperately fighting to keep the evils of the dream world from escaping into the waking world Elsewhere a man troubled by his painful youth has for years been hearing a voice in his head he calls Mr Lullaby and he has finally started to act on what that voice is telling him to kill any coma patient he can find quickly Something is waking up in the tunnel something is trying to get through And Mr Lullaby is coming **The Lullaby** ,1851
