**The Small Catechism** Martin Luther, 2022-11-20 This annotated edition of Martin Luther's Small Catechism includes an extra appendix in addition to the two already included in the original book which provides an interesting overview of Martin Luther's peasant roots his education in pre law and how he was diverted from a law career to that of a monk turned professor and eventually Protestant reformer The role of the printing press in spreading the 95 Theses quickly over Europe catapulting Martin Luther to near instant prominence in the religious dialogue of his day The story of how Martin Luther colluded with a fishmonger to smuggle his future wife and her friends away from a convent and Martin Luther's impact on the Protestant Reformation as well as modern religious thought Martin Luther wrote the small catechism as an easy teaching tool for both individuals and families Though penned close to five centuries ago Luther's brief clear summary of the essentials of Christian faith still ring true today Topics covered include the Ten Commandments the Creed the Lord's Prayer and the sacraments of baptism and the altar Ideas and instructions are also included for morning and evening devotions and giving thanks at mealtime This little catechism still widely used within the Lutheran Church has gems of truth that many Christians will find to be both instructive and inspirational regardless of denomination Though few in words it provides a wonderful explanation that has helped many to both learn the basics of Christian doctrine and apply them in a practical way to their lives
