The Poems of T. S. Eliot, Volume II T. S. Eliot, 2024-03-26 The second volume of the first paperback edition of *The Poems of T S Eliot* featuring *Old Possum's Book of Practical Cats* and his translation of *Anabase* This two volume critical edition of T S Eliot's poems establishes a new text of the *Collected Poems* 1909-1962 rectifying accidental omissions and errors that have crept in during the century since Eliot's astonishing debut *The Love Song of J Alfred Prufrock* In addition to the masterpieces *The Poems of T S Eliot* contains the poems of Eliot's youth which were rediscovered only decades later poems that circulated privately during his lifetime and love poems from his final years written for his wife Valerie Calling upon Eliot's critical writings as well as his drafts letters and other original materials Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem Following the collected and uncollected poems of the first volume this second volume opens with the two books of verse of other kinds that Eliot issued the children's verse of *Old Possum's Book of Practical Cats* and *Anabasis* his translation of St John Perse's *Anabase* This volume then gathers the verses that Eliot contributed to the learnedly lighthearted exchanges of *Noctes Binanian* and others that he wrote off the cuff or for intimate friends Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse

Selected Letters of Siegfried Sassoon and Edmund Blunden, 1919-1967 Vol 3 Carol Z Rothkopf, 2020-09-10 Of the 16 WWI poets memorialized in Westminster Abbey two were destined to become lifelong friends Although both served on the Western Front it was not until 1919 that Siegfried Sassoon received his first letter from Edmund Blunden This collection of Sassoon and Blunden's correspondence contains more than 1 000 letters cards and telegrams

Churchill and Company David Dilks, 2012-12-18 Winston Churchill the great wartime leader and peacetime Prime Minister is one of the dominating figures of the 20th century In this stimulating and original book David Dilks the eminent historian of modern Britain and a leading Churchill scholar provides a fascinating source of new discoveries and insights He shows Churchill not only as a war leader and international statesman but also as a private person with a rich variety of interests enthusiasms friendships and rivalries Churchill's relations with other leading politicians and statesmen of the age both within Britain and internationally illuminate

his handling of friends and enemies Sometimes these categories were not easily separated for a long while Churchill thought of Stalin as a friend or at least a comrade in arms and only with extreme reluctance did he come to look upon him ultimately as an enemy He regarded Roosevelt with admiration and gratitude yet the balance of evidence suggests that the President felt less warmly towards him especially after 1943 Dilks casts new and penetrating light on Churchill during World War II including his dramatic and troubled relationship with Charles de Gaulle where political problems were softened by Churchill's love of France The aftermath of World War II relations with Stalin the Soviet Union and the Cold War all dominated Churchill's subsequent career The last chapter draws attention to the influence of history on statesmen and others not least because no public man of the last century with the possible exception of de Gaulle has influenced on Churchill's scale or with his effectiveness the writing and the making of history Whether in or out of office Churchill's influence has been felt in all areas of British politics and national life David Dilks brings Churchill to life for all those interested modern British and international history whether student specialist or general reader Modernity Britain David Kynaston, 2014-12-02
