M. Ju. Lermontov Walter N. Vickery, 2001 Displaying his characteristic balance between sympathy and detachment Vickery has first provided a concise but richly detailed account of Lermontov s brief and tragic life His approach is above all sensible down to earth and fair Lermontov was a romantic really the only Russian poet who fully fits that designation Vickery understands very well the romantic ethos but he is no romantic him self He treats with tolerant but ironic amusement the adolescent posturing of Lermontov s early Byronism He is less tolerant of the frequent arrogance and even cruelty in Lermontov s behavior toward those close to him especially women On the other hand Vickery recognizes Lermontov s genuine longing for intimacy and affection and credits his capacity for friendship and generosity He also effectively traces all these conflicting im pulses in Lermontov s poetry
