

Ma Da E

Mark E. Cohen

Ma Da E:

A Hittite Chrestomathy Edgar H. Sturtevant, George Bechtel, 2020-05-18 **Sumerian Hymnology** Mark E. Cohen, 1981-12-31 The ersemma is one of two possibly three genres of literature written in the Sumerian Emesal dialect. Texts exist in copies from the Old Babylonian period although they were authored much earlier. They were preserved likely because they were part of a fixed liturgy recited on select days of the month. Mark E. Cohen discusses the characteristics of this genre and its evolution, the circumstances of its composition and the cultic setting in which it was typically used. He also provides a catalog of examples as well as transliterations and translations of selected texts with commentary. Examples come from the British Museum, the Yale Babylonian Collection, the University Museum Collection, the Oriental Institute, the Staatliche Museen Berlin, and the Metropolitan Museum.

Chipewyan Texts Pliny Earle Goddard, 1912 *Soil Survey of Hawkins and Hancock Counties, Tennessee* United States. Soil Conservation Service, 1979 *Judicial Decisions in the Ancient Near East* Sophie Démare-Lafont, Daniel E. Fleming, 2023-11-03 This volume presents the first broadly inclusive collection with accessible text and English translation of documents related to judicial decisions in the ancient Near East, the oldest setting for such writing in the world. The texts in this volume belong to various genres, especially legal records and letters, and span almost two thousand years. With such varied material, the work depends on the expertise of specialists in each setting, from the Sumerian of early Ur to the late Akkadian of Babylonia under the Persians. The collection brings together not only 183 transliterated texts and new translations but also introductions and commentary that place these legal documents in their historical and social contexts. A glossary of legal terms, a concordance of texts included, and an index of legal terms makes this an invaluable tool for students and scholars across disciplines. The contributors are Dominique Charpin, Sophie Démare-Lafont, Daniel E. Fleming, Francis Joannès, Bertrand Lafont, Brigitte Lion, Ignacio Márquez Rowe, Cécile Michel, and Pierre Villard.

Complete Estonian Beginner to Intermediate Book and Audio Course Mare Kitsnik, Leelo Kingisepp, 2012-03-30 This product is most effective when used in conjunction with the corresponding audio support. You can purchase the book and double CD as a pack (ISBN 9781444106909). The double CD is also sold separately (ISBN 9781444107005).
