Macarthur The American Experience

**Philippines. Military Governor,
1900-1901 (Arthur MacArthur)**

MacArthur The American Experience:

MacArthur Reconsidered James Ellman, 2023-07-01 James Ellman digs deep connects the dots and concludes that General Douglas MacArthur was decidedly not a military genius One of America's most controversial generals Douglas MacArthur's rise through the U S Army's ranks was meteoric However he did not lead large formations of men in combat until he assumed command of forces in the Philippines in 1941 When war commenced with the bombing of Pearl Harbor MacArthur's performance on the battlefield was a failure he underestimated the Japanese and his poorly trained forces were outmaneuvered and outfought by a much smaller invading force However in what became a repeating hallmark of his career he successfully portrayed his actions to much of the American people as brilliant and heroic regardless of victory or defeat After fleeing to Australia MacArthur famously announced I will return and followed through on a quest to retake Manila regardless of its impact on Allied global strategy or its cost in American Australian and Filipino blood In his subsequent role as America's shogun in Tokyo MacArthur was again surprised by an enemy he underestimated The Korean War yielded his greatest victory at Inchon but also his greatest defeat along the Yalu River Unwilling to accept anything but complete victory he openly defied President Truman MacArthur fatally undermined chances for an early peace planned to seed a great swath of enemy territory with radioactive cobalt and attempted to widen a conflict which threatened to become a third world war Raging against his subsequent firing he only truly faded away after he was publicly criticized by a panoply of America's greatest WWII generals Today MacArthur still polarizes Many biographies agree he was a great and patriotic leader marred by a few failures Ellman argues the opposite MacArthur was a lackluster battlefield commander who suffered stunning defeats while undermining the command structure of our military

The First Heroes Craig Nelson, 2003-09-30 Immediately after Japan's attack on Pearl Harbor President Franklin D Roosevelt sought to restore the honor of the United States with a dramatic act of vengeance a retaliatory bombing raid on Tokyo On April 18 1942 eighty brave young men led by the famous daredevil Jimmy Doolittle took off from a navy carrier in the mid Pacific on what everyone regarded as a suicide mission but instead became a resounding American victory and helped turn the tide of the war The First Heroes is the story of that mission Meticulously researched and based on interviews with twenty of the surviving Tokyo Raiders this is a true account that almost defies belief a tremendous human drama of great personal courage and a powerful reminder that ordinary people when faced with extraordinary circumstances can rise to the challenge of history

Humanities, 1999 *Empire's Mistress*, Starring Isabel Rosario Cooper Vernadette Vicuña Gonzalez, 2021-02-05 In *Empire's Mistress* Vernadette Vicuña Gonzalez follows the life of Filipina vaudeville and film actress Isabel Rosario Cooper who was the mistress of General Douglas MacArthur If mentioned at all their relationship exists only as a salacious footnote in MacArthur's biography a failed love affair between a venerated war hero and a young woman of Filipino and American heritage Following Cooper from the Philippines to Washington D C to Hollywood where she died penniless Gonzalez frames her not as a tragic heroine but as

someone caught within the violent histories of U S imperialism In this way Gonzalez uses Cooper s life as a means to explore the contours of empire as experienced on the scale of personal relationships Along the way Gonzalez fills in the archival gaps of Cooper s life with speculative fictional interludes that both unsettle the authority of official archives and dislodge the established one dimensional characterizations of her By presenting Cooper as a complex historical subject who lived at the crossroads of American colonialism in the Philippines Gonzalez demonstrates how intimacy and love are woven into the infrastructure of empire
