

Machiavelli *and the* Modern State

The Prince, the Discourses on Livy,
and the Extended Territorial Republic

ALISSA M. ARDITO

Machiavelli And The Modern State

Marco Sgarbi

Machiavelli And The Modern State:

Machiavelli and the Modern State Alissa M. Ardito, 2021-02-11 This book offers a significant reinterpretation of the history of republican political thought and of Niccol Machiavelli's place within it. It locates Machiavelli's political thought within enduring debates about the proper size of republics. From the sixteenth century onward, as states grew larger, it was believed only monarchies could govern large territories effectively. Republicanism was a form of government relegated to urban city states, anachronisms in the new age of the territorial state. For centuries, history and theory were in agreement: constructing an extended republic was as futile as trying to square the circle. But then James Madison devised a compound representative republic that enabled popular government to take on renewed life in the modern era. This work argues that Machiavelli had his own Madisonian impulse and deserves to be recognized as the first modern political theorist to envision the possibility of a republic with a large population extending over a broad territory.

Machiavelli and the Modern State Alissa M. Ardito, 2015-02-26 This book offers a significant reinterpretation of the history of republican political thought and of Niccol Machiavelli's place within it. It locates Machiavelli's political thought within enduring debates about the proper size of republics. From the sixteenth century onward, as states grew larger, it was believed only monarchies could govern large territories effectively. Republicanism was a form of government relegated to urban city states, anachronisms in the new age of the territorial state. For centuries, history and theory were in agreement: constructing an extended republic was as futile as trying to square the circle. But then James Madison devised a compound representative republic that enabled popular government to take on renewed life in the modern era. This work argues that Machiavelli had his own Madisonian impulse and deserves to be recognized as the first modern political theorist to envision the possibility of a republic with a large population extending over a broad territory.

Machiavelli and the Modern State Louis Dyer, 1904 Excerpt from Machiavelli and the Modern State: Chapters on His Prince, His Use of History and His Idea of Morals, Being Three Lectures Delivered in 1899 at the Royal Institution. St Thomas Aquinas That Machiavelli's indebtedness to Dante in respect of his conception of *virtu* should be so numbingly takable seems the more startling because our author himself has been at some pains to associate his use of *virtu* with the nomenclature of medical diagnosis borrowed so continually. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
