Machination Wilson Sherman,1994 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 Forthcoming Books Rose Army,1994-04 **Books in Print** ,1991 **Empire of the Clouds** James Hamilton-Paterson,2010-10-07 In 1945 Britain was the world s leading designer and builder of aircraft a world class achievement that was not mere rhetoric And what aircraft they were The sleek Comet the first jet airliner The awesome delta winged Vulcan an intercontinental bomber that could be thrown about the sky like a fighter The Hawker Hunter the most beautiful fighter jet ever built and the Lightning which could zoom ten miles above the clouds in a couple of minutes and whose pilots rated flying it as better than sex How did Britain so lose the plot that today there is not a single aircraft manufacturer of any significance in the country What became of the great industry of de Havilland or Handley Page And what was it like to be alive in that marvellous post war moment when innovative new British aircraft made their debut and pilots were the rock stars of the age James Hamilton Paterson captures that season of glory in a compelling book that fuses his own memories of being a schoolboy plane spotter with a ruefully realistic history of British decline its loss of self confidence and power It is the story of great and charismatic machines and the men who flew them heroes such as Bill Waterton Neville Duke John Derry and Bill Beaumont who took inconceivable risks so that we could fly without a second thought Death Under The Shadow of Judiciary Dr. N.M. Ghatate,2016-01-01 Rendering punishment by death is one of the forms of punishment that have been employed through the ages It is one of the severest punishments Extinguishing a life is not an ordinary incident and the means employed are also out of the ordinary Right from early ages the mode of conducting this punishment varied from place to place country to country and time to time This book chronicles the various modes of execution employed from the medieval to the present time the nature of the case which prompted such a sentence various cases and the laws behind them Although majority of the countries have abolished this kind of punishment there are still some countries where it is prevalent Around sixty percent of the population lives in such countries A study of global trends as a whole and more specifically the United States and India where this trend still exists has been conducted in this book It also critically examines procedural precautions taken in the execution The book is replete with maps statistics charts and diagrams showing the public opinion on the subject in the world and the impact of international terrorism to national security on the issue of death punishment Some of the leading cases in the US and India have been examined especially that of Deena which is the only case in India where the judiciary deliberated on the method of execution of death by hanging **The Wright Way** Mark EPPLER,2003-10-24 When Wilbur and Orville Wright executed the first successful manned flight on December 17th 1903 they stunned the world Man could fly Where had these two brothers come from The impact was astonishing Imagine if Neil Armstrong had landed on the moon in a craft he built himself and paid for with a part time job In ushering in the age of flight the Wright brothers got past numerous obstacles the world s other scientists hadn t even begun

to tackle The Wright Way defines seven essential problem solving principles the brothers used in accomplishing this enormous feat and shows readers how to apply them to common business problems The book presents practical inspirational principles for achievement including Hammering out problems through constructive conflict Addressing the toughest issues or worst things first Achieving perfection through inveterate tinkering Pursuing useful knowledge through forever learning The book gives business leaders and managers constructive tips they can use to tackle their most difficult and rewarding challenges and opportunities A perfect combination of savvy management guidance and historical adventure story The Wright Way shows readers how to make their business soar when others can't even get off the ground *Subject Guide to Books in Print* ,2001 The Hundredfold Problem John Grant,2015-08-12 Four million years ago a Dyson sphere was built on the fringes of our solar system A few thousand early hominid species were transported from the third planet to colonise the vast spaces of the hollow world On the third planet and within the Dyson sphere mankind evolved separately For years Mega City One has secretly been sending its most dangerous criminals through a matter transmitter to the sphere nicknamed Big Dunkin Donut But now arch villain Dennis the Complete Bloody Sadist is threatening to destroy the sphere and Judge Dredd is sent to stop him Dredd thinks his biggest problem will be Dr Petula McTavish the xenothologist appointed to accompany him until a matter transmitter malfunction splits him into a hundred Dredds And within the sphere the immortal queen goddess Korax knows the apocalyptic doom awaiting mankind *Dirty Little Secrets of the Vietnam War* James F. Dunnigan,Albert A. Nofi,2025-10-16 James F Dunnigan and Albert A Nofi's *Dirty Little Secrets of the Vietnam War* allows us to see what really happened to American forces in Southeast Asia separating popular myth from explosive reality in a clear concise manner Containing more than two hundred examinations of different aspects of the war the book questions why the American military ignored the lessons taught by previous encounters with insurgency forces probes the use of group think and mind control by the North Vietnamese and explores the role technology played in shaping the way the war was fought Of course the book also reveals the dirty little secrets the truth behind such aspects of the conflict as the rise of the Montagnard mercenaries the most feared group of soldiers participating in the secret war in Laos and the details of the hidden struggle for the Ho Chi Minh Trail With its unique and perceptive examination of the conflict *Dirty Little Secrets of the Vietnam War* by James F Dunnigan Albert A Nofi offers a critical addition to the library of Vietnam War history
