had been with them all along A victim of mental illness and the wounding loss of her family s place in society Markie became incapable of raising her three children For many years the lingering effects of the brief years she spent with Markie Created shadow over Diana s life a kind of aura of both the presence and absence of her mother Finally healed after a lifetime of uncertainty and ready to help shed light on the needs of survivors of parental mental illness author Diana B Roberts details life with and without her mother This is their story *Hug Someone You Love Today* Michael A.
