Odd Destiny A Life Of Alexander Hamilton

JR Anderson

Odd Destiny A Life Of Alexander Hamilton:

Odd Destiny Marie B. Hecht, 1980 *Odd Destiny* Milton Lomask, 1969 The controversial life of the man who was the first Secretary of the Treasury of the newly formed United States and who was killed in a duel with Aaron Burr **The Jewish World of Alexander Hamilton** Andrew Porwancher, 2023-05-09 In his hit musical Hamilton Lin Manuel Miranda paints Founding Father Alexander Hamilton as the ultimate outsider the bastard orphan son of a whore who by sheer grit and smarts achieves political greatness leaving a permanent mark on the American landscape as the architect of its financial system In this book Andrew Porwancher argues that the first Secretary of the Treasury and chief author of The Federalist Papers was even more of an outsider than previous biographers have noted Porwancher has uncovered evidence strongly suggesting that Hamilton was born and raised as a Jew at least until the age of 13 when his mother died The evidence is not definitive but it is compelling Porwancher's story begins in the 1750s in a colony in the Danish West Indies where Hamilton's mother Rachel Faucette married a merchant named Johann Michael Levine who sometimes went by the name of Lavien a Sephardic version of Levine Porwancher is convinced that Levine was Jewish and that Rachel born to a Christian family in the British Caribbean converted in order to marry him as was required by Danish law at the time Faucette's marriage with Levine was troubled leading her to flee to a nearby British Caribbean colony where she met the Scotsman James Hamilton who conceived with her the future Founding Father out of wedlock Assuming Faucette's conversion to Judaism before this birth Alexander Hamilton was thus born a Jew according to Jewish law What is more there is strong evidence that he was raised with a Jewish education as he attended a Jewish day school on the island colony of Nevis at least until the age of 13 the year of his mother's death It is noteworthy that he is not listed in the island's baptismal records although parish records from that era are fragmentary and thus cannot provide definitive conclusions At some point Hamilton began identifying as a Christian at least by the age of 17 when he arrived in New York Although as an adult he wrote copiously on seemingly every topic under the sun he maintained a studied silence about his West Indian and most likely Jewish origins This is understandable for without the pretence of a Christian background it is unlikely that the young Hamilton could have advanced socially and professionally in the British colonies to the north And yet as Porwancher argues Hamilton's connections to Jews and Judaism continued throughout his life During a long professional life as a practicing lawyer and public figure he defended Jewish rights Notably he spoke out against antisemitism and ensured that a Jew be appointed to the board of his alma mater Columbia University the first Jew on the board of any American college And although a nominal Christian Hamilton kept institutional Christianity at arms length throughout his life There is no record of him mentioning the church or taking communion Porwancher does not overstate his claims nor does he try to simplify the fact that the lines between Jewish and non Jewish identity were frequently blurred in the Caribbean world that into which Hamilton was born What this book does in the words of the author is add the relevance of Judaism to our already rich understanding of Hamilton

A Fatal Friendship Arnold Rogow, 1999-09 For almost two centuries historians have struggled to explain the extraordinary duel that killed Alexander Hamilton the nation's first Secretary of the Treasury and ended Vice President Aaron Burr's political career In *A Fatal Friendship* the distinguished political scientist and writer Arnold Rogow argues that the roots of the fatal encounter lay not in Burr's admittedly flawed political and private conduct but rather in Hamilton's conflicted history and character Rogow's brilliant analysis changes and deepens our understanding of honor politics and friendship in the early American Republic Publisher **Alexander Hamilton and the Persistence of Myth** Stephen F. Knott, 2002-02-15 *Alexander Hamilton and the Persistence of Myth* explores the shifting reputation of our most controversial founding father Since the day Aaron Burr fired his fatal shot Americans have tried to come to grips with Alexander Hamilton's legacy Stephen Knott surveys the Hamilton image in the minds of American statesmen scholars literary figures and the media explaining why Americans are content to live in a Hamiltonian nation but reluctant to embrace the man himself Knott observes that Thomas Jefferson and his followers and later Andrew Jackson and his adherents tended to view Hamilton and his principles as un-American While his policies generated mistrust in the South and the West where he is still seen as the founding plutocrat Hamilton was revered in New England and parts of the Mid Atlantic states Hamilton's image as a champion of American nationalism caused his reputation to soar during the Civil War at least in the North However in the wake of Gilded Age excesses progressive and populist political leaders branded Hamilton as the patron saint of Wall Street and his reputation began to disintegrate Hamilton's status reached its nadir during the New Deal Knott argues when Franklin Roosevelt portrayed him as the personification of Dickensian cold heartedness When FDR erected the beautiful Tidal Basin monument to Thomas Jefferson and thereby elevated the Sage of Monticello into the American Pantheon Hamilton as Jefferson's nemesis fell into disrepute He came to epitomize the forces of reaction contemptuous of the great beast the American people In showing how the prevailing negative assessment misrepresents the man and his deeds Knott argues for reconsideration of Hamiltonianism which rightly understood has much to offer the American polity of the twenty first century Remarkably at the dawn of the new millennium the nation began to see Hamilton in a different light Hamilton's story was now the embodiment of the American dream an impoverished immigrant who came to the United States and laid the economic and political foundation that paved the way for America's superpower status Here in Stephen Knott's insightful study Hamilton finally gets his due as a highly contested but powerful and positive presence in American national life [The Intimate Life of Alexander Hamilton ...](#) Allan McLane Hamilton, 1910 **Alexander Hamilton's Revolution** Phillip Thomas Tucker, 2017-08-22 Despite his less than promising beginnings as the only key Founding Father not born and raised on American soil Hamilton was one of the best and brightest of his generation His notoriety has rested almost entirely on his role as Secretary of the Treasury in Washington's administration yet few realize that Washington and Hamilton's bond was forged during the Revolutionary War *Alexander Hamilton's Revolution* is the first book to explore Hamilton's critical role

during the battle for independence New information presents a little known and underpublished aspect of Hamilton s life that he was not only Washington s favorite staff officer but also his right hand man for most of the Revolution serving as Chief of Staff from 1777 to early 1781 While he found this position rewarding Hamilton continually asked Washington for a field command Hamilton s wish was granted at the decisive battle of Yorktown where his Infantry Battalion charged on the defensive bastion on Cornwallis s left flank Hamilton s capture of this position while French forced captured the adjacent position sealed Cornwallis s fate and forced his surrender and ultimate colonial victory The entire patriotic cause benefited immeasurably from the advice and strategies provided to Washington by his youngest staff officer Alexander Hamilton Now those critical contributions are brought to light in *Hamilton s Revolution* David McCullough *American Presidents E-Book Box Set* David McCullough,2011-05-24 From America s most beloved biographer David McCullough Time a collection of his bestselling biographies of American Presidents This ebook box set features David McCullough s award winning biographies of American Presidents John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation s founders and most important figures who became our second president Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt s metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea Including a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Review of Current Military Literature** ,1983 **Military Review** ,1983 Quarterly Review of Military Literature ,1983 Professional Journal of the United States Army ,1983 Alexander Hamilton and the Battle of Yorktown, October 1781 Phillip Thomas Tucker,2022-09-27 Discover the little known role Alexander Hamilton played in the decisive battle of the American Revolution Yorktown Alexander Hamilton and the Battle of Yorktown October 1781 is the first book in nearly two and a half centuries that has ever been

devoted to the story of Alexander Hamilton's key contributions in winning the most decisive victory of the American Revolutionary war at Yorktown. Past biographies of Hamilton including the most respected ones have minimized the overall importance of the young lieutenant colonel's role and battlefield performance at Yorktown which was key to forcing the surrender of Lord Cornwallis's army. Hamilton led the assault on strategic Redoubt Number Ten located on the left flank of the British defensive line and captured the defensive bastion an accomplishment that ensured the defeat and surrender of Cornwallis's army that won the American Revolution and changed the course of world history. You thought you knew the full story of the founding father of the American financial system from Lin-Manuel Miranda's Broadway smash hit *Hamilton* but Alexander Hamilton and the Battle of Yorktown October 1781 brings into sharp relief the vital role he played in the most important battle of the American Revolution as told by renowned historian Phillip Thomas Tucker PhD. *The Lives of the Constitution* Joseph Tartakovsky, 2019-10-08 In a fascinating blend of biography and history Joseph Tartakovsky tells the epic and unexpected story of our Constitution through the eyes of ten extraordinary individuals some renowned like Alexander Hamilton and Woodrow Wilson and some forgotten like James Wilson and Ida B. Wells. Barnett Tartakovsky brings to life their struggles over our supreme law from its origins in revolutionary America to the era of Obama and Trump. Sweeping from settings as diverse as Gold Rush California to the halls of Congress and crowded with a vivid Dickensian cast Tartakovsky shows how America's unique constitutional culture grapples with questions like democracy racial and sexual equality free speech economic liberty and the role of government. Joining the ranks of other great American storytellers Tartakovsky chronicles how Daniel Webster sought to avert the Civil War how Alexis de Tocqueville misunderstood America how Robert Jackson balanced liberty and order in the battle against Nazism and Communism and how Antonin Scalia died warning Americans about the ever growing reach of the Supreme Court. From the 1787 Philadelphia Convention to the clash over gay marriage this is a grand tour through two centuries of constitutional history as never told before and an education in the principles that sustain America in the most astonishing experiment in government ever undertaken. **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1972 **The Life and Times of Alexander Hamilton** Christopher James Riethmüller, 1864 **Alexander Hamilton** Tim McNeese, 2013 Surveys the life of the early American statesman founding father writer of the Federalist Papers and first Secretary of the Treasury under George Washington St. James Guide to Biography Paul E. Schellinger, 1991 Supplies bibliographical and critical analysis of available biographies in English **People Who Changed the Course of History: The Story of Alexander Hamilton 265 Years After His Birth** Antone Pierucci, 2018-11-20

This is likewise one of the factors by obtaining the soft documents of this **Odd Destiny A Life Of Alexander Hamilton** by online.
