Odd Bedfellows:

The Odd Fellow's Companion, 1870 *The Professor and the President* Stephen Hess, 2014-12-08 What happens when a conservative president makes a liberal professor from the Ivy League his top urban affairs adviser The president is Richard Nixon the professor is Harvard's Daniel Patrick Moynihan Of all the odd couples in American public life they are probably the oddest Add another Ivy League professor to the White House staff when Nixon appoints Columbia's Arthur Burns a conservative economist as domestic policy adviser The year is 1969 and what follows behind closed doors is a passionate debate of conflicting ideologies and personalities Who won How Why Now nearly a half century later Stephen Hess who was Nixon's biographer and Moynihan's deputy recounts this fascinating story as if from his office in the West Wing Daniel Patrick Moynihan 1927-2003 described in the *Almanac of American Politics* as the nation's best thinker among politicians since Lincoln and its best politician among thinkers since Jefferson served in the administrations of four presidents was ambassador to India and U.S. representative to the United Nations and was four times elected to the U.S. Senate from New York Praise for the works of Stephen Hess Organizing the Presidency Any president would benefit from reading Mr Hess's analysis and any reader will enjoy the elegance with which it is written and the author's wide knowledge and good sense *The Economist* The Presidential Campaign Hess brings not only first rate credentials but a cool dispassionate perspective an incisive analytical approach and a willingness to stick his neck out in making judgments *American Political Science Review* From the *Newsweek* Series It is not much in vogue to speak of things like the public trust but thankfully Stephen Hess is old fashioned He reminds us in this valuable and provocative book that journalism is a public trust providing the basic information on which citizens in a democracy vote or tune out Ken Auletta *The New Yorker*

A Foreign Policy for the Left Michael Walzer, 2018-01-01 Something that has been needed for decades a leftist foreign policy with a clear moral basis Foreign policy for leftists used to be relatively simple They were for the breakdown of capitalism and its replacement with a centrally planned economy They were for the workers against the moneyed interests and for colonized peoples against imperial Western powers But these easy substitutes for thought are becoming increasingly difficult Neo liberal capitalism is triumphant and the workers movement is in radical decline National liberation movements have produced new oppressions A reflexive anti imperialist politics can turn leftists into apologists for morally abhorrent groups In Michael Walzer's view the left can no longer in fact could never take automatic positions but must proceed from clearly articulated moral principles In this book adapted from essays published in *Dissent* Walzer asks how leftists should think about the international scene about humanitarian intervention and world government about global inequality and religious extremism in light of a coherent set of underlying political values

Regalado,Sarah K. Fields,2014-12-01 Not distributed available at Arkansas State Library **Suck It Up** Brian Meehl,2008-05-13 ARE YOU UP to your neck in bloodsucking vampire stories Tired of those tales about dentally enhanced dark lords Before I wrote this book I thought all vampires were night stalking fangpopping bloodsucking fiends Then I met Morning McCobb He s a vegan vampire who drinks a soy blood substitute called Blood Lite He believes staking should be a hate crime And someday he hopes to march in a Vampire Pride Parade He was

also the first vampire to out himself and try to show people of mortality like you and me that vampires are just another minority with special needs Trust me this is like no other vampire book you ll ever feed on So as my buddy Morning says Pop the lid and suck it up David Friedrich Strauß, Father of Unbelief Frederick C. Beiser,2020-08-27 David Friedrich Strauss is a central figure in 19th century intellectual history The first major source for the loss of faith in Christianity in Germany his work *Das Leben Jesu* was the most scandalous publication in Germany during his time His book was a critique of the claims to historical truth of the New Testament which had been the mainstay of Protestantism since the Reformation As the father of unbelief his critique of Christianity preceded that of Nietzsche Marx Feuerbach and Schopenhauer His views imposed a harsh fate upon him he was persecuted for his beliefs by religious and political authorities and was denied employment in the university and government forcing him to live as a free lance writer He led a wandering and isolated life as an outcast Here Frederick C Beiser studies the intellectual development of Strauss and recounts his fate which began in faith as a young man but finally ended in unbelief *Love and Labor* Doris B Murphy,2006-11 The author was the spouse of the head of San Francisco Hod Carriers local 36 union **"It Aint Necessarily So" Book One** Bob Maddison,2013-11-13 Discovering what is real or not real can be difficult This Book One starts with the true nature of the universe From the very basic Fabric of the Universe then to following nature or all things and that includes what is commonly known as God or gods Following that we deal with human origins evolution alternatives then discover our true nature and problems with religions Reclaiming our individual value in life is critically covered Human s lost prehistory is looked as a prelude to later books A mountain of lies and cover ups are revealed This book covers many original writings by Bob Maddison plus many items of interest compiled from research Sufficient evidence is included in all cases so that you the critical reader is not faced with my assertions only but can do your independent research *I Can See Clearly Now - 3rd Edition* Bob Maddison,2013-10-20 This is the ultimate story of the origin of the univers a subsequent god and humanity and every one s search for reality Seriously **The Ashgate Research Companion to Lesbian and Gay Activism** David Paternotte,Manon Tremblay,2016-03-03 The Ashgate Research Companion to Lesbian and Gay Activism provides scholars and students with a comprehensive and authoritative state of the art review of the current research in this subject Each of the 22 specially commissioned chapters develops and summarises their key issue or debate in relation to activism that is the claims strategies and mobilisations including internal debates and divisions impediments and state responses of the lesbian and gay movement By drawing together leading scholars from political science sociology anthropology and history this companion provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom *Philosophy and Engineering: An Emerging Agenda* Ibo van de Poel,David E. Goldberg,2010-03-11 Whereas science technology and medicine have all called forth dedicated philosophical investigations a fourth major contributor to the technoscientific world in which we all live that

is engineering has been accorded almost none of the philosophical attention it deserves This volume thus offers a first characterisation of this important new field by some of the primary philosophers and ethicists interested in engineering and leading engineers interested in philosophical reflections The volume deals with such questions as What is engineering In what respect does engineering differ from science What ethical problems does engineering raise By what ethical principles are engineers guided How do engineers themselves conceive of their profession What do they see as the main philosophical challenges confronting them in the 21st century The authors respond to these and other questions from philosophical and engineering view points and so illustrate how together they can meet the challenges and realize the opportunities present in the necessary encounters between philosophy and engineering encounters that are ever more important in an increasingly engineered world and its problematic futures

The Wordsworth Dictionary of Quotations Connie Robertson, 1998 Quotations have exercised a particular fascination for humanity since the birth of recorded language and their potency in the age of the soundbite is stronger than ever We revel in quotations compete to know them love them hate them and inscribe them in books and on buildings and this freshly revised and updated dictionary includes a wealth of new material among its 13 000 familiar serious outrageous witty and thought provoking entries The Wordsworth Dictionary of Quotations is an essential work of reference for every writer journalist and speech maker as well as being a treasure trove for the browser and the simply curious From the Roman poet Ovid s observation that Judgement of beauty can er what with the wine and the dark to Oscar Wilde s that Experience is the name everyone gives to their mistakes there is a wide diversity of sayings to add spice to our conversation and enrich our daily lives The book is alphabetically arranged by author and indexed by keyword for ease of use

The Bloomsbury Companion to Dance Studies Sherril Dodds, 2019-03-21 The Bloomsbury Companion to Dance Studies brings together leading international dance scholars in this single collection to provide a vivid picture of the state of contemporary dance research The book commences with an introduction that privileges dancing as both a site of knowledge formation and a methodological approach followed by a provocative overview of the methods and problems that dance studies currently faces as an established disciplinary field The volume contains eleven core chapters that each map out a specific area of inquiry Dance Pedagogy Practice As Research Dance and Politics Dance and Identity Dance Science Screendance Dance Ethnography Popular Dance Dance History Dance and Philosophy and Digital Dance Although these sub disciplinary domains do not fully capture the dynamic ways in which dance scholars work across multiple positions and perspectives they reflect the major interests and innovations around which dance studies has organized its teaching and research Therefore each author speaks to the labels methods issues and histories of each given category while also exemplifying this scholarship in action The dances under investigation range from experimental conceptual concert dance

through to underground street dance practices and the geographic reach encompasses dance making from Europe North and South America the Caribbean and Asia The book ends with a chapter that looks ahead to new directions in dance scholarship in addition to an annotated bibliography and list of key concepts The volume is an essential guide for students and scholars interested in the creative and critical approaches that dance studies can offer Susan Strange and the Future of Global Political Economy Randall Germain, 2016-04-28 This edited volume addresses the 2007 2009 financial crisis as the occasion to engage critically with the corpus of Susan Strange's work in order to consider what changes if any this crisis portends for the structural organization of the global political economy The contributors use Strange's rich conceptual framework to explore the financial crisis and its aftermath and reflect critically on the broader contributions which her work has made to the discipline of IPE The volume makes three valuable contributions for scholars and students First it raises the profile of Susan Strange a unique and powerful contributor to the field of IPE whose ideas matter to our current circumstance and can provide deep and enduring insights into important questions and issues Secondly each contributor to this volume combines her work and ideas with that of other traditions or individual theorists in ways that extend and or deepen Strange's own efforts Finally this volume leaves us with a judicious optimism about the future of both IPE and the world as it actually is on the ground This book will be of interest to scholars and students who are interested in the dynamics shaping contemporary and future developments in the global political economy as well as those who are interested in the theoretical debates about how to study IPE *Global Civil Society 2006/7* Helmut K Anheier, Mary Kaldor, Marlies Glasius, 2006-10-02 Even though current public interest and engagement in issues of global violence are the results of terribly tragic and disturbing events it is good that these matters are receiving widespread attention I argue for a wider use of our voice in the working of global civil society to be distinguished from military initiatives and strategic activities of governments The *Global Civil Society Yearbook* can make a substantial contribution to the expression of public voice without border Amartya Sen Suicide bombings collateral damage kidnappings and air strikes pepper the lexicon of twenty first century politics *Global Civil Society 2006 7* explores the complex relationship between violence civil society and legitimacy in a unique dialogue that crosses political cultural and religious boundaries Is the use of violence by non state actors ever justified How is violence transmitted from the private to the public sphere Why is terror and the war on terror catalysing rather than suppressing violence Do Western and Islamic traditions of thought offer any solutions This edition of the *Yearbook* also includes new research on economic and social rights the politics of water and football Chapters include Not Even a Tree Can Violence be Justified in a Global Era Mary Kaldor and Heba Raouf Ezzat Bringing Violence Back Home Jenny Pearce Pipe dream or Panacea *Global Civil Society and Economic and Social Rights* Marlies Glasius War and Peace the Role of *Global Civil Society* Mary Kaldor Denisa Kostovicova and Yahia Said Water a Global Contestation Willemijn Dicke Patrick Bond Fadia Daibes Murad Sanjeev Khagram Alessandro Palmieri Carlos Vainer Zo Wilson and Patricia Wouters The Church the Mosque and
