Emmanuel S. Nelson

Ode To Anna Moffo And Other Poems:

Ode to Anna Moffo and Other Poems Wayne Koestenbaum, 1990 **A Companion to Romantic Poetry** Charles Mahoney, 2010-12-21 Through a series of 34 essays by leading and emerging scholars A Companion to Romantic Poetry reveals the rich diversity of Romantic poetry and shows why it continues to hold such a vital and indispensable place in the history of English literature Breaking free from the boundaries of the traditionally studied authors the collection takes a revitalized approach to the field and brings together some of the most exciting work being done at the present time Emphasizes poetic form and technique rather than a biographical approach Features essays on production and distribution and the different schools and movements of Romantic Poetry Introduces contemporary contexts and perspectives as well as the issues and debates that continue to drive scholarship in the field Presents the most comprehensive and compelling collection of essays on British Romantic poetry currently available **The Magic of Beverly Sills** Nancy Guy, 2015-10-15 With her superb coloratura soprano passion for the world of opera and down to earth personality Beverly Sills made high art accessible to millions from the time of her meteoric rise to stardom in 1966 until her death in 2007 An unlikely pop culture phenomenon Sills was equally at ease on talk shows on the stage and in the role of arts advocate and administrator Merging archival research with her own love of Sills's music Nancy Guy examines the singer actress's artistry alongside the ineffable aspects of performance that earned Sills a passionate fandom Guy mines the memories of colleagues critics and aficionados to recover something of the spell Sills wove for people on both sides of the footlights during the hot moments of onstage performance At the same time she analyzes essential questions raised by Sills's art and celebrity How did Sills challenge the divide between elite and mass culture and build a fan base that crossed generations and socio economic lines Above all how did Sills capture the unnameable magic that joins the members of an audience to a performer and to one another Intimate and revealing The Magic of Beverly Sills explores the alchemy of art magnetism community and emotion that produced an American icon Encyclopedia of Contemporary LGBTQ Literature of the United States Emmanuel S. Nelson, 2009-07-14 In this two volume work hundreds of alphabetically arranged entries survey contemporary lesbian gay bisexual transgendered and queer American literature and its social contexts Comprehensive in scope and accessible to students and general readers Encyclopedia of Contemporary LGBTQ Literature of the United States explores contemporary American LGBTQ literature and its social political cultural and historical contexts Included are several hundred alphabetically arranged entries written by expert contributors Students of literature and popular culture will appreciate the encyclopedia's insightful survey and discussion of LGBTQ authors and their works while students of history and social issues will value the encyclopedia's use of literature to explore LGBTQ American society Each entry is written by an expert contributor and lists additional sources of information To further enhance study and understanding the encyclopedia closes with a selected general bibliography of print and electronic resources for student research **The Queer Afterlife of Vaslav Nijinsky** Kevin Kopelson, 1997 This

is three books in one an impressionistic account based on the aestheticism of Walter Pater of the dancer's homoerotic career a deconstructive analysis of his gay male reception drawn from the semiotics of Roland Barthes and an exploration of the limitations of that analysis A Companion to Rainer Werner Fassbinder Brigitte Peucker, 2012-02-20 A Companion to Rainer Werner Fassbinder is the first of its kind to engage with this important figure Twenty eight essays by an international group of scholars consider this controversial director's contribution to German cinema German history gender studies and auteurship A fresh collection of original research providing diverse perspectives on Fassbinder's work in films television poetry and underground theatre Rainer Werner Fassbinder remains the preeminent filmmaker of the New German Cinema whose brief but prolific body of work spans from the latter half of the 1960s to the artist's death in 1982 Interrogates Fassbinder's influence on the seminal ideas of his time auteurship identity race queer studies and the cataclysmic events of German twentieth century history Contributions from internationally diverse scholars specializing in film culture and German studies Includes coverage of his key films including *Gods of the Plague* 1970 *Beware of a Holy Whore* 1971 *The Bitter Tears of Petra von Kant* 1972 *Martha* 1973 *TV World on a Wire* 1973 *Effi Briest* 1974 *Ali Fear Eats the Soul* 1974 *Fox and His Friends* 1975 *Fear of Fear* 1975 *Chinese Roulette* 1976 *In a Year With 13 Moons* 1978 *Despair* 1978 *The Third Generation* 1979 *Berlin Alexanderplatz* 1980 *TV and Querelle* 1982 **The Scandal of Susan Sontag** Barbara Ching, Jennifer A Wagner-Lawlor, 2009-11-03 Susan Sontag 1933 2004 spoke of the promiscuity of art and literature the willingness of great artists and writers to scandalize their spectators through critical frankness complexity and beauty Sontag's life and thought were no less promiscuous She wrote deeply and engagingly about a range of subjects theater sex politics novels torture and illness and courted celebrity and controversy both publicly and privately Throughout her career she not only earned adulation but also provoked scorn Her living was the embodiment of scandal In this collection Terry Castle Nancy K Miller Wayne Koestenbaum E Ann Kaplan and other leading scholars revisit Sontag's groundbreaking life and work Against Interpretation Notes on Camp Letter from Hanoi On Photography Illness as Metaphor I Etcetera and The Volcano Lover these works form the center of essays no less passionate and imaginative than Sontag herself Debating questions raised by the thinker's own images and identities including her sexuality these works question Sontag's status as a female intellectual and her parallel interest in ambitious and prophetic fictional women her ambivalence toward popular culture and her personal and professional scandals Paired with rare photographs and illustrations this timely anthology expands our understanding of Sontag's images and power *AIDS Narratives* Steven F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual's

bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it

Encyclopedia of Modern Jewish Culture Glenda Abramson,2004-03-01 The Encyclopedia of Modern Jewish Culture is an extensively updated revision of the very successful Companion to Jewish Culture published in 1989 and has now been updated throughout Experts from all over the world contribute entries ranging from 200 to 1000 words broadly covering the humanities arts social sciences sport and popular culture and 5000 word essays contextualize the shorter entries and provide overviews to aspects of culture in the Jewish world Ideal for student and general readers the articles and biographies have been written by scholars and academics musicians artists and writers and the book now contains up to date bibliographies suggestions for further reading comprehensive cross referencing and a full index This is a resource no student of Jewish history will want to go without *New York Magazine* ,1995-05-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Michigan Quarterly Review* ,1998 **Thomas Adès in Five Essays** Drew Massey,2020 Reaching for the music behind the celebrated composer conductor and pianist Thomas Ad s author Drew Massey offers an indispensable work for scholars and general readers alike **New York Magazine** ,1995-05-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Library Journal** ,1994

Opera, Sex and Other Vital Matters Paul Robinson,2002-06-08 Opera Sex and Other Vital Matters gathers both classic and never before published essays from one of the leading stylists in contemporary American letters and one of our more revered public intellectuals Paul Robinson Diverse and elegant the essays in this new collection showcase the sly wit and lightly worn erudition of their author Each celebrates art and the flesh directing us to the twin ecstasies of music and eros The essays on opera gathered here explore how masterpieces like Fidelio and The Magic Flute reflect the intellectual currents of their day Be it the work of Verdi or Mozart Wagner or Strauss Robinson compels us to search for meaning not just in the lyrics of opera but also in the music In melody not libretto we are more likely to discern key historical complexities

and appreciate the way opera transcends language and time The essays on sexuality meanwhile are ruminative funny and even moving At one moment Robinson measures whether homosexuality is the result of destiny or free choice In another he shares a touching exchange of letters with a gay student in the process of coming out The final essays that encompass other vital matters find Robinson at his most incisive Whether defending Freud as the most influential thinker of the twentieth century attacking the dreaded use of semicolons reflecting on his own mortality or even meditating on the nature of cats *Sex Opera and Other Vital Matters* is an eclectic work that will appeal to any reader interested in the continuing relevance of ideas to life

Dennis Cooper Paul Hegarty, Danny Kennedy, 2012 Dennis Cooper's writing has acquired a ferocious reputation for its bold experimentation its transgressive content and its emotional content which is both Romantic and touching whilst cold and hard edged For over twenty years Cooper has explored the boundaries of human living and sexuality's centrality to that living The extreme situations he develops in his writing bring out parts of gay experience that a consensual community often shies away from likewise the heterosexual mainstream His most important genre is undoubtedly fiction but Cooper has also written poetry large quantities of journalistic works notably for *Artforum* and *Spin* and recently has had great success and recognition with theatrical works The book enters deep into the worlds Cooper fabricates and into the coolness of his expression This challenging work is addressed by a group of mostly young and new critical writers and academics who provide creative responses to Cooper's artistry The contributions which cover the breadth of Cooper's work develop themes and devices that advance his profound and disturbing world view In addition to the artistic responses the topics in the critical pieces range from sexuality in the suburbs to neurological responses to the work via the limits and possibilities of bodies Others look at the implications of contemporary electronic communication as outlined in Cooper's recent work or the use of space Cooper's writing receives a multi-faceted contextualisation and his literary ideas are made accessible to any reader interested in learning why Cooper is today regarded as one of the foremost writers in expressing the psychological point behind the centrality of sexual expression

Mawrdew Czegowchwz James McCourt, 2012-05-09 *Diva* Mawrdew Czegowchwz pronounced Mardu Gorgeous bursts like the most brilliant of comets onto the international opera scene only to confront the deadly malice and black magic of her rivals Outrageous and uproarious flamboyant and serious as only the most perfect frivolity can be James McCourt's entrancing send up of the world of opera has been a cult classic for more than a quarter century This comic tribute to the love of art is a triumph of art and love by a contemporary American master
