**Same-Sex Desire in Indian Culture** Oliver Ross,2016-04-08 This book explores representations of same sex desire in Indian literature and film from the 1970s to the present Through a detailed analysis of poetry and prose by authors like Vikram Seth Kamala Das and Neel Mukherjee and films from Bollywood and beyond including Onir's My Brother Nikhil and Deepa Mehta's Fire Oliver Ross argues that an initially Euro American homosexuality with its connotations of an essential psychosexual orientation is reinvented as it overlaps with different elements of Indian culture Dismantling the popular belief

that vocal gay and lesbian politics exist in contradistinction to a sexually conservative India this book locates numerous alternative practices and identities of same sex desire in Indian history and modernity Indeed many of these survived British colonialism with its importation of ideas of sexual pathology and perversity in changed or codified forms and they are often inflected by gay and lesbian identities in the present In this account Oliver Ross challenges the preconception that in the contemporary world a grand narrative of sexuality circulates globally and erases all pre existing narratives and embodiments of sexual desire
