

Ode to Newfoundland

- When sun rays crown thy pine clad hills,
And summer spreads her hand,
When silvern voices tune thy rills,
We love thee, smiling land.

We love thee, we love thee,
We love thee, smiling land.

As loved our fathers, so we love,
Where once they stood, we stand;
Their prayer we raise to Heaven above,
God guard thee, Newfoundland

God guard thee, God guard thee,
God guard thee, Newfoundland

Ode To Newfoundland

Wayne Johnston

Ode To Newfoundland:

The First Canadian Allen R. Wells, 2014-01-27 William Lyon Mackenzie King served all of Canada as Prime Minister. He was Canada's longest serving Prime Minister and for all other Commonwealth countries too. His successive governments created the Canadian Welfare state and the place we once held in the world. King strove for the social cushion of a united, autonomous and prosperous country. A lifetime later, all Canadians still benefit from his initiative and skill. King's life followed the Social Gospel in the political world and in the pioneering study of industrial relations. His work, relatives and friends' successes and disappointments are presented as you have never encountered them before. , The Colony Of Unrequited Dreams Wayne Johnston, 2011-10-05 The Colony of Unrequited Dreams a Canadian bestseller is a novel about Newfoundland that centres on the story of Joe Smallwood the true life controversial political figure who ushered the island through confederation with Canada and became its first premier. Narrated from Smallwood's perspective it voices a deep longing on the part of the Newfoundlander to do something significant commensurate with the greatness of the land itself. Smallwood's chronicle of his development from poor schoolboy to Father of the Confederation is a story full of epic journeys and thwarted loves travelling from the ice floes of the seal hunt to New York City in a style reminiscent at times of John Irving, Robertson Davies and Charles Dickens. Absorbing and entertaining The Colony of Unrequited Dreams provides us with a deep perspective on the relationship between private lives and what comes to be understood as history and shows as E Annie Proulx commented Wayne Johnston is a brilliant and accomplished writer. The New York Times said this prodigious eventful character rich book is a noteworthy achievement a biting entertaining and inventive saga a brilliant and bravura literary performance. *Follow Your Bliss* Donald Hodder, 2017-12-19 Dr Donald Hodder has woven tales of joy and sorrow, humour and fulfillment into this interesting memoir. He practised family medicine for over forty five years all of it in his native Newfoundland. During his career he kept many notebooks detailing his experiences. These became the foundation for this book. In studied prose and lilting verse with integrity and compassion he interlaces autobiographical material with social commentary on people and happenings in his life. He witnessed a broad spectrum of human conditions the mundane the miraculous the physical the psychological and the social. He feels immensely honoured to have shared in the most intimate aspects of daily life with thousands of patients for so long. He is at times absolutely serious skillfully witty and hilariously funny. You are invited to sit at his table of memories and be entertained enlightened and enriched. Enjoy. *Imagined Nations* David Williams, 2003-03-24 In Imagined Nations David Williams explores works by authors such as Alistair MacLeod, Michael Ondaatje and Timothy Findley examining the ways in which these writers show how our sense of time and space and our sense of personal and national identities have been altered by changes in modes of communication. He discusses how they have dramatized a series of shifts from the oral clan to the nation of the book Alistair MacLeod from print nationalism to radio confederacy Wayne Johnston and from print stasis to an electronic space of flows Michael Ondaatje. Some writers have

resisted the threat of filmic images to print formed communities Timothy Findley Guy Vanderhaeghe while others have sought release from the prison of print Hubert Aquin or attempted to infiltrate cyberspace in the border war against globalization William Gibson Building on the work of Harold Innis Williams joins other Canadians such as Marshall McLuhan Ronald Deibert and Gerald Friesen in extending and clarifying our understanding of the way differing media environments predispose us to imagine unique forms of political community
