

ODESSA

A History 1794–1914

Patricia Herlihy

Odessa A History 1794 1914

Brooke L. Blower

Odessa A History 1794 1914:

Odessa Patricia Herlihy,1991 By the late 19th century Odessa was the most polyglot and cosmopolitan city in the empire In the first decades of the 20th century however strikes revolutionary agitation and pogroms brought on the city s decline Herlihy contrasts Odessa s rapid development in the 19th century with the growing tension in its society up to the First World War

Odessa Patricia Herlihy,1986 Surveys the social and economic history of Odessa from its foundation in 1794 By the late 19th century Jews made up one third of the city s population and played an important part in the grain trade Pp 299 308 describe several pogroms In 1871 the Jews were attacked by the Greek population who resented their success in the grain trade In 1881 they were attacked as part of the wave of pogroms following the assassination of the Tsar In both cases the government failed to intervene for several days In 1905 however the pogrom broke out as a result of revolutionary disturbances and economic distress The mob contained many dock workers policemen and soldiers in civilian dress who attacked the Jews apparently with official approval Despite Jewish self defense activities over 300 Jews were killed

Odessa Patricia Ann McGahey Herlihy,1991 *Port Jews* David Cesarani,2014-04-04 The history of Jews in cosmopolitan maritime trading centres is a field of research that is reshaping our understanding of how Jews entered the modern world These studies show that the utility of Jewish merchants in an era of European expansion was vital to their acculturation and assimilation [A History of Greek-Owned Shipping](#) Gelina Harlaftis,2005-08-17 This study provides the most comprehensive history of the development of modern Greek shipping ever published from the mid nineteenth century to the present day It is richly illustrated with numerous maps photographs and extensive tables *Commerce and Culture* Robert Lee,2016-05-23 Considerable attention has recently been focused on the importance of social networks and business culture in reducing transaction costs both in the pre industrial period and during the nineteenth century This book brings together twelve original contributions by scholars in the United Kingdom continental Europe and North America which represent important and innovative research on this topic They cover two broad themes First the role of business culture in determining commercial success in particular the importance of familial religious ethnic and associational connections in the working lives of merchants and the impact of business practices on family life Second the wider institutional and political framework for business operations in particular the relationship between the political economy of trade and the cultural world of merchants in an era of transition from personal to corporate structures These key themes are developed in three separate sections each with four contributions They focus in turn on the role of culture in building and preserving businesses the interplay between institutions networks and power in determining commercial success or failure and the significance of faith and the family in influencing business strategies and the direction of merchant enterprise The wider historiographical context of the individual contributions is discussed in an extended introductory chapter which sets out the overall agenda of the book and provides a broader comparative framework for analysing the specific issues covered in each of the three

sections Taken together the collection offers an important addition to the available literature in this field and will attract a wide readership amongst business cultural maritime economic social and urban historians as well as historical anthropologists sociologists and other social scientists whose research embraces a longer term perspective

The Black Sea : A History Charles King, 2004-03-18 Based on extensive research in multiple languages this book is an innovative and indispensable guide to the history cultures and politics of the fascinating Black Sea area and its future at the heart of Europe and Eurasia Charles King breaks new ground in demonstrating how a region often thought of as a zone of timeless conflict has experienced long periods of integration and co operation The area from the Balkans to the Caucasus is often seen as a zone of timeless conflict a frontier region at the meeting place of mutually antagonistic civilizations But in this pathbreaking work Charles King investigates the myriad of connections that have made the Black Sea more of a bridge than a boundary linking religious communities linguistic groups empires and later nations and states For some parts of the world the idea of waterways as defining elements in human history is uncontroversial Mention the Mediterranean or the South Pacific and images of mutual influence come to mind Those images come less readily for the Black Sea a region that has experienced ethnic conflict economic collapse and interstate rivalries over the last two decades But in the recent past the idea of the Black Sea as a distinct unit was self evident From its formation some seven or eight millennia ago to the political revolutions and environmental crisis of the late twentieth century the sea has been a zone of interaction sometimes cordial sometimes conflictual among the peoples and states around its shores To the ancient Greeks the sea lay literally at the edge of the known world In time the growth of Greek trading colonies linked all the coasts into a web of economic relationships In the Middle Ages the sea was tied to the great commercial cities of Venice and Genoa Later the Ottomans used the region's resources to build their own empire In the late eighteenth century the sea was opened to foreign commerce and the seacoasts were part of a genuinely global system of trade After the collapse of the Russian and Ottoman empires the coastline was carved up among a number of newly formed nation states with each asserting a right to a piece of the coast and a section of the coastal waters Today efforts to resurrect the idea of the Black Sea as a unified region are once again on the international agenda Based on extensive research in multiple languages this book is an indispensable guide to the history cultures and politics of this fascinating sea and its future at the heart of Europe and Eurasia Well footnoted and fluently written a useful and accessible work with the Sea itself quite properly at the centre of attention Robin Milner Gulland *History Today*

In this timely book Charles King provides a stretchy timeline for the murky pool once a lake now a tideless sea which has always sat on the edge of everything Europe Asia civilisation barbarism us and other *The Guardian Review* This is an essential book for anyone who feels they ought to know about what used to be called the eastern question and worries secretly that it is too late to start finding out *The Guardian* A solid work by an academic historian writing for the general educated public He is particularly good on little known or forgotten episodes the part played by Westerners in the

development of the area King is well placed to see through the myths of nationalists he has a good eye also for the victims of history Kings work has all the virtues of good American scholarship vast array of sources a transatlantic detachment and the recent and very welcome fashion for elegant prose Andrew Mango TLS The collapse of the Soviet Union restored two great geostrategic arenas long buried in now defunct empires or pushed to the margin by Cold War alignments The first is Inner Asia an immense hinterland stretching from the Chinese borderlands across the Siberian south to the Hindu Kush The second is the Black Sea a junction where the Balkans Central Asia and the Middle East meet Say no more To appreciate what this re embodiment means one needs a special vantage point King traces the Black Sea s many political incarnations from the Greeks and Scythians to the Romans the Byzantine Christians the Ottomans the Russians and the tumult of the twentieth century Even when fractured and populated with weak and troubled states as now the region King argues in this mind broadening book coheres and deserves to be thought about and approached accordingly essential reading for all who are dealing with the Black Sea history and archaeology International Journal of Maritime History The collapse of the Soviet Union restored two great geostrategic arenas long buried in now defunct empires or pushed to the margin by Cold War alignments The first is Inner Asia an immense hinterland stretching from the Chinese borderlands across the Siberian south to the Hindu Kush The second is the Black Sea a junction where the Balkans Central Asia and the Middle East meet Say no more To appreciate what this re embodiment means one needs a special vantage point King traces the Black Sea s many political incarnations from the Greeks and Scythians to the Romans the Byzantine Christians the Ottomans the Russians and the tumult of the twentieth century Even when fractured and populated with weak and troubled states as now the region King argues in this mind broadening book coheres and deserves to be thought about and approached accordingly Foreign Affairs

Ukraine Karl Schlögel, 2018-08-15 Ukraine is a country caught in a political tug of war looking East to Russia and West to the European Union this pivotal nation has long been a pawn in a global ideological game And since Russia s annexation of Crimea in March 2014 in response to the Ukrainian Euromaidan protests against oligarchical corruption the game has become one of life and death In Ukraine A Nation on the Borderland Karl Schlögel presents a picture of a country which lies on Europe s borderland and in Russia s shadow In recent years Ukraine has been faced along with Western Europe with the political conundrum resulting from Russia s actions and the ongoing Information War As well as exploring this present day confrontation Schlögel provides detailed fascinating historical portraits of a panoply of Ukraine s major cities Lviv Odessa Czernowitz Kiev Kharkov Donetsk Dnepropetrovsk and Yalta cities whose often troubled and war torn histories are as varied as the nationalities and cultures which have made them what they are today survivors with very particular identities and aspirations Schlögel feels the pulse of life in these cities analyzing their more recent pasts and their challenges for the future

Americans in a World at War Brooke L. Blower, 2023 Americans in a World at War tells the panoramic and often surprising story of seven worldly Americans their personal histories their politics and the paths that led them to board a Pan

American Airways seaplane bound for Lisbon in February 1943 When the Yankee Clipper crashed in the Tagus River it took numerous lives but left a paper trail that leads to a richer deeper understanding of Americans diverse global commitments during the first half of the twentieth century as well as how the Second World War would transform those engagements

Russian Pogroms and Jewish Revolution, 1905 Gerald D. Surh, 2023-12-07 This book based on extensive original research examines the widespread and violent pogroms against Jews which took place in the Russian Empire in 1905 It briefly surveys the earlier history of Jews in the Russian Empire and the discriminatory policies against them The work outlines the extent of the killings and lootings in 1905 explores the role of the authorities who were often neutral or complicit in the violence and highlights Jewish self defense measures It relates the pogroms to the place of the Jews in Russian urban and rural life to social change and modernisation and to the revolutionary events of 1905 in which Jews played a prominent role and during which calls for ethnic self determination arose among many nationalities of the Russian Empire most broadly and consequentially among Jews Overall the book views the pogroms as a consequence not only of Russian antisemitism but of the broader revolutionary breakdown of Russian state and society in 1905

Prince Michael Vorontsov Anthony Laurens Hamilton Rhineland, 1990 Mikhail Semenovich Vorontsov 1785 1856 is generally acclaimed as one of tsarism s most successful and innovative administrators After growing up in England where his father was Russian ambassador he returned to Russia and became an officer in the army during the Napoleonic wars In 1823 Alexander I appointed Vorontsov to the post of governor general of New Russia the then half wild southern Ukraine His task was to encourage development and link the area more effectively with the economy and administration of the empire Vorontsov was so successful that in 1845 Nicholas I promoted him to viceroy and extended his authority to include Caucasia which he administered with the extraordinary mandate of unlimited powers

Forging a Unitary State John P. LeDonne, 2020-04-02 Covering two centuries of Russian history Forging a Unitary State is a comprehensive account of the creation of what is commonly known as the Russian Empire from Poland to Siberia In this book John P LeDonne demonstrates that the so called empire was for the most part a unitary state defined by an obsessive emphasis on centralization and uniformity The standardization of local administration the judicial system tax regime and commercial policy were carried out slowly but systematically over eight generations in the hope of integrating people on the periphery into the Russian political and social hierarchy The ultimate goal of Russian policy was to create a Fortress Empire consisting of a huge Russian unitary state flanked by a few peripheral territories such as Finland Transcaucasia and Central Asia Additional peripheral states such as Sweden Turkey and Persia would guarantee the security of this Fortress Empire and the management of Eurasian territory LeDonne s provocative argument is supported by a careful comparative study of Russian expansion along its western southern and eastern borders drawing on vital but understudied administrative evidence Forging a Unitary State is an essential resource for those interested in the long history of Russian expansionism

Transottoman Biographies, 16th-20th c. Denise Klein, Anna Vlachopoulou, 2023-09-04 For centuries

people moved between the Ottoman Empire Eastern Europe and Iran This book studies the biographies of individuals and groups as different as rulers and revolutionaries frontier bandits and merchants soldiers and slaves from the sixteenth to the twentieth centuries Following their journeys across borders the case studies of this volume emphasize the profound effect that mobility had on the lives and thoughtworlds of everyone with a Transottoman trajectory The chapters reveal breaks adjustments and continuities in people s biographies and the in betweenness that moving typically created

Post-cosmopolitan Cities Caroline Humphrey,Vera Skvirskaja,2012 Examining the way people imagine and interact in their cities this book explores the post cosmopolitan city The contributors consider the effects of migration national and religious revivals with their new aesthetic sensibilities the dispositions of marginalized economic actors and globalized tourism on urban sociality The case studies here share the situation of having been incorporated in previous political regimes imperial colonial socialist that one way or another created their own kind of cosmopolitanism and now these cities are experiencing the aftermath of these regimes while being exposed to new national politics and migratory flows of people

Alcohol Mack P. Holt,2006-03-01 Why are we so ambivalent about alcohol Are we torn between our love of a drink and the need to restrict or even prohibit alcohol How did saloon culture arise in the United States Why did wine become such a ubiquitous part of French culture Alcohol A Social and Cultural History examines these questions and many more as it considers how drink has evolved in its functions and uses from the late Middle Ages to the present day in the West Alcohol has long played an important role in societies throughout history and understanding its consumption can reveal a great deal about a culture This book discusses a range of issues including domestic versus recreational use the history of alcoholism and the relationship between alcohol and violence religion sexuality and medicine It looks at how certain forms of alcohol speak about class gender and place Drawing on examples from Europe North America and Australia this book provides an overview of the many roles alcohol has played over the past five centuries

The Radical Right in Late Imperial Russia George Gilbert,2015-11-19 The revolutionary movements in late tsarist Russia inspired a reaction by groups on the right Although these groups were ostensibly defending the status quo they were in fact as this book argues very radical in many ways This book discusses these radical rightist groups showing how they developed considerable popular appeal across the whole Russian Empire securing support from a wide cross section of society The book considers the nature and organisation of the groups their ideologies and policies on particular issues and how they changed over time The book concludes by examining how and why the groups lost momentum and support in the years immediately before the First World War and briefly explores how far present day rightist groups in Russia are connected to this earlier movement

Pogroms John Doyle Klier,Shlomo Lambroza,2004-02-12 Distinguished scholars of Russian Jewish history reflect on the pogroms in Tsarist and revolutionary Russia

Second Metropolis Blair A. Ruble,2001-05-28 By exploring and comparing North America s Russia s and Japan s second cities Chicago Moscow and Osaka Second Metropolis discloses the extent to which social fragmentation

frequently viewed as an obstacle to democratic development actually fostered a pragmatic pluralism that nurtured pluralistic public policies Such policies are explored through six case studies the politics of street railways and charter reform in Chicago adult education and housing in Moscow and harbor revitalization and poverty alleviation in Osaka that illustrate how even those with massive political and economic power were stymied by the complexity of their communities Chicago Moscow and Osaka though the products of very different nations and cultures nonetheless shared an important experience of inclusive politics during an era of extraordinary growth and social diversity The success of all three cities which went well beyond mere survival rested on a distinctive political resource pragmatic pluralism **Hegel's Philosophy of Reality, Freedom, and God**

Robert M. Wallace, 2005-04-04 Showing the relevance of Hegel's arguments this book discusses both original texts and their interpretations *Serfdom, Society, and the Arts in Imperial Russia* Richard Stites, 2008-10-01 Serf era and provincial Russia heralded the spectacular turn in cultural history that began in the 1860s Examining the role of arts and artists in society's value system Richard Stites explores this shift in a groundbreaking history of visual and performing arts in the last decades of serfdom Provincial town and manor house engaged the culture of Moscow and St Petersburg while thousands of serfs and ex serfs created or performed Mikhail Glinka raised Russian music to new levels and Anton Rubinstein struggled to found a conservatory Long before the itinerant painters explored town and country in genre scenes of everyday life Serf actors on loan from their masters brought naturalistic acting from provincial theaters to the imperial stages Stites's richly detailed book offers new perspectives on the origins of Russia's nineteenth century artistic prowess

Odessa A History 1794 1914 Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Odessa A History 1794 1914**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
