Eisenman, Odilon Redon, 1992-12-15 Bristling with demons grotesques and bizarre apparitions the graphic work of Odilon Redon has often seemed to be the product of a mind unhinged In *The Temptation of Saint Redon* Stephen F. Eisenman argues instead that these works are Redon's conscious and considered response to changing social realities an attempt to find refuge from the forces of modernization in an imaginative world of the macabre and the fantastic Eisenman's careful attention to the circumstances of Redon's life 1840-1916 allows him to bring into focus the interconnections between Redon's complex style and the culture and society of his time Born and raised on a sixteenth century estate near Bordeaux Redon was immersed as a child in traditional rural culture I spent my entire childhood in the M doc completely free among peasant children he recalled in his memoirs I heard them tell supernatural tales witches still exist there Indeed local tales and legends of witches ghosts one-eyed monsters evil eyes and wood fairies figure prominently in Redon's graphic works which he called his noirs or blacks After formal training at Bordeaux and Paris in the 1850s and 1860s Redon began to chart his independent artistic course Eisenman shows how rejecting both naturalism and classicism Redon a prototypical Symbolist found in grotesque and epic genres the expression of organic communities and precapitalist societies He places Redon's desire for this imagined world of superstitious simplicity a desire manifest in his entire mature artistic practice in the context of contemporary avant garde movements Redon's great noirs of the 1870s and 1880s dreamlike configurations of seemingly irreconcilable elements from portraits still lifes and landscapes show an increasingly subtle control of connotation and a complex indebtedness to caricature allegory and puns Many of the noirs also visually interpret works by like minded authors including Baudelaire Flaubert Poe and Mallarmé one of Redon's close friends Eisenman's analysis of the noirs underscores Redon's interest in creating an imaginative even fantastic art that could act

directly on the human spirit In addition to deepening our understanding of Redon and his art *The Temptation of Saint Redon* exposes a link between place politics personal history and the artistic imagination Master Drawings from the Woodner Collection George R. Goldner,1983 **Prints and Portfolios by Odilon Redon (1840-1916)** Odilon Redon,1997 **The Brush and the Pen** Dario Gamboni,2011 French symbolist artist Odilon Redon 1840 1916 seemed to thrive at the intersection of literature and art Known as the painter writer he drew on the works of Poe Baudelaire Flaubert and Mallarm for his subject matter And yet he concluded that visual art has nothing to do with literature Examining this apparent contradiction *The Brush and the Pen* transforms the way we understand Redon s career and brings to life the interaction between writers and artists in fin de si cle Paris Dario Gamboni tracks Redon s evolution from collaboration with the writers of symbolism and decadence to a defense of the autonomy of the visual arts He argues that Redon s conversion was the symptom of a mounting crisis in the relationship between artists and writers provoked at the turn of the century by the growing power of art criticism that foreshadowed the modernist separation of the arts into intractable fields In addition to being a distinguished study of this provocative artist *The Brush and the Pen* offers a critical reappraisal of the interaction of art writing criticism and government institutions in late nineteenth century France *New York Magazine* ,1993-04-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Odilon Redon** Odilon Redon,2018-03-13 *New York Magazine* ,1993-04-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1993-04-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Nature and Imagination** Michael Wilson,Odilon Redon,1978 In this introduction to Redon s work the illustrations and text have been thoughtfully put together to give a fuller understanding and appreciation of a complicated but entrancing painter book jacket **Marcel Duchamp (Second) (World of Art)** Dawn Ades,Neil Cox,David Hopkins,2021-04-13 A revised and expanded edition of one of the most original books ever written on the enigmatic artist Marcel Duchamp Genius anti artist charlatan guru impostor Since he arrived on the scene in 1914
