Historical Dictionary of Kyrgyzstan Rafis Abazov, 2004 The modern history of Kyrgyzstan resembles a fascinating history of the Great Game a term used to describe competition between the British and Russian Empires for domination in Central Asia For centuries various great powers and nomadic Khanates attempted to establish an ultimate control over this strategically important land and the land populated by Kyrgyzs was fragmented between various political entities Only at the end of the 19th century did the Russian Empire finally acquire control over this region In 1924 the Kyrgyz land was united into a single political entity in the controversial and still widely debated border delimitation process In 1991 Kyrgyzstan declared its independence and began building a democratic and market oriented state However very soon the newly independent country found itself in the center of the political competition for influence between such powers as China Russia and the USA This competition finally landed the US and Russian military airbases in Kyrgyzstan's territory in what some analysts describe as a new round of the Great Game The *Historical Dictionary of Kyrgyzstan* provides a concise yet comprehensive overview of the historical development of Kyrgyzstan The introduction and chronology provide an overview of the Kyrgyz history focusing on the history of the country in the 20th century The author carefully assesses the key issues in Kyrgyzstan's attempt to develop democratic and market oriented institutions and to keep militant elements at bay He

overviews the growth of political organizations and NGOs and the struggle for power between various formal and informal political groups and institutions This is the first comprehensive reference book on Kyrgyzstan which provides superb up to date details about the key players and key issues in contemporary domestic and international politics of Kyrgyzstan The dictionary consists of approximately 300 entries and is cross referenced to make sure that it is easy to use by both experienced scholars a
