A Cryptic Odyssey John Bartel Weston, 2016-08-11 The first three chapters of the book offer the author's depiction of his life leading up to his cryptic odyssey through various countries and continents of the world The symptoms and signs of his mental illness are evident throughout the book but they do not detract from a reader's comprehension and enjoyment of the storyline as it develops The descriptions of his experiences are generally quite lucid educational and entertaining He offers little known information relating to the field of precious metal prospecting and he includes interesting world historical information that bears on his narrative The book also offers vivid insights into the real world as seen by someone unknowingly suffering from mental illness *A Cambodian Odyssey* Kurt Volkert, T. Jeff Williams, 2001 This is a question

that still bluntly assaults every reporter and cameraman covering war anywhere in the world When to stop Where to stop Ever to stop We lived with that challenge all during the war yet so many of us felt invulnerable was it innocence arrogance the intoxication of war We were objective reporters weren't we not combat soldiers We gave ourselves exemptions from death We armored ourselves with naiveté In all this book is a tribute to all slain journalists who brought the war to your living room some caught in a firefight some shot out of the sky some who vanished some executed Yet even while the shooting was going on there was a war about the war about whether the United States had misread history and the dying and killing was all a waste Those post mortems would come later too late to end the killing **Appalachian Odyssey** Steve Sherman, Julia Older, 2016-06-28 Trail along on this 2 000 mile bliss and blister adventure away from interstates and into backwoods

A Korean War Odyssey Tom Gormley, 2020-01-20 The picture of the young soldier with the ears sticking out graced my mother in law's kitchen forever When asked she would reply that her younger brother Donnie disappeared during the Korean War at the tender age of eighteen In 2010 my wife Sandy and I set out to discover what happened to Corporal Donald Matney and to bring him home Our journey took us to Washington DC Seoul Korea and many places in between But slowly carefully step by step we reconstructed the short life of Sandy's uncle Donnie identified his remains and returned him to rest by his mother's side in Missouri A Korean War Odyssey is this story The saga begins with a Korean history lesson told through the eyes of a fictional young refugee family fleeing the North Korean invasion It continues from the viewpoint of a soldier on occupation duty in Japan suddenly thrust into a violent police action Both witness the atrocities of war until one disappears Through alternating perspectives the account continues weaving what happened during the war with how we identified this missing young soldier and brought him home A Korean War Odyssey provides much needed insight for today's headlines Those with friends and relatives lost during the Forgotten War will learn what may have happened Anyone who desires to understand the Korean War and why the US still has a presence on this Asian peninsula today will gain a new viewpoint
