## **Odyssey With The Goddess A Spiritual Quest In Crete:**

Odyssey with the Goddess Carol P. Christ, 1995 Odyssey with the Goddess depicts a spiritual journey from death and despair to healing and rebirth At its deepest level it is a story with universal resonance But it is also a woman s story and a spiritual quest from a particular point of view It begins with a very simple experience of despair abandonment in a love relationship What follows is a journey not willingly or consciously chosen The author is present as her mother dies and glimpses the mystery of love She is taken to Crete a land where the Goddess once reigned in peace and harmony There she descends into the darkness of a cave finds the tree of life in the center of a garden and dances to the strange rhythms of mountain goat songs Eventually she comes to understand that life is not a goal to be achieved by effort and will It is a dance along a serpentine path offering many gifts at every turn BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Rebirth of the Goddess Carol P. **Matriarchy in Bronze Age Crete** Joan M. Cichon, 2022-06-30 This book makes a compelling case for a matriarchal Bronze Age Crete. It is acknowledged that the preeminent deity was a Female Divine and that women played a major role in Cretan society but there is a lively ongoing debate regarding the centrality of women in Bronze Age Crete, a gap in the scholarly literature which this book seeks to fill.

**Goddess and God in the World** Carol P. Christ, Judith Plaskow, 2016-08-01 In *Goddess and God in the World* leading theologians Carol P. Christ and Judith Plaskow debate the nature of divinity proposing a new method called embodied theology. They agree that the transcendent omnipotent male God of traditional theology must be reimagined. Carol proposes that Goddess is the intelligent embodied love that is in all being. Judith counters that God is an impersonal power of creativity that includes both good and evil. Rooting their views in experience and questioning each other they offer a fruitful model of theological conversation across difference.

**Archaeology of Spiritualities** Kathryn Rountree, Christine Morris, Alan A. D. Peatfield, 2012-05-23 *Archaeology of Spiritualities* provides a fresh exploration of the interface between archaeology and religion. Spirituality Archaeological approaches to the study of religion have typically and often unconsciously drawn on western paradigms especially Judaeo-Christian monotheistic frameworks and academic rationalisations. Archaeologists have rarely reflected on how these approaches have framed and constrained their choices of methodologies, research questions, hypotheses, definitions, interpretations and analyses and have neglected an important dimension of religion: the human experience of the numinous, the power, presence or experience of the supernatural. Within the religions of many of the world's peoples, sacred experiences, particularly in relation to sacred landscapes and beings connected with those landscapes, are often given greater emphasis while doctrine and beliefs are relatively less important. *Archaeology of Spiritualities* asks how such experiences might be discerned in the archaeological record, how do we recognize and investigate other forms of religious or spiritual experience in the remains of the past. The volume opens up a space to explore critically and reflexively the encounter between archaeology and diverse cultural expressions of spirituality. It showcases experiential and experimental methodologies in this area of the discipline, an unconventional approach within the archaeology of religion. Thus *Archaeology of Spiritualities* offers a unique, timely and innovative contribution, one that is also challenging and stimulating. It is a great resource to archaeologists, historians, religious scholars and others interested in cultural and religious heritage.

**What Casanova Told Me** Susan Swan, 2010-05-21 *What Casanova Told Me* links two women's journeys across two centuries through a long lost journal. On her way to the Mediterranean, Luce Adams doesn't expect her life to be much affected by her travels, let alone drastically altered. She's heading to a memorial service for her mother, Kitty, who died two years earlier in a car accident on Crete while she was researching Minoan culture. Shy and awkward, Luce has never been able to handle her mother's adoring circle of academics and goddess worshippers or her mother's lover, Lee Pronske, who talked Luce into going on the trip. Following Lee's itinerary through Italy and Greece on the way to Crete, hitting all of Kitty Adams's favourite places only

serves to remind Luce of how far she was from the centre of her mother's life. Despite the efforts of Kitty's old friends it's an emotional distance that no number of healing rites or goddess figurines can help Luce overcome. The only part of the journey that holds Luce's interest is her role as a courier delivering a package of old family papers to a museum in Venice. The eighteenth-century documents a travel journal kept by Luce's ancestor Asked For Adams, a manuscript written in what appears to be Arabic and some precious letters written by Casanova had been discovered in the family's cottage on the St Lawrence and were recently authenticated by a Harvard expert. Luce, an archivist, was the natural person to entrust with their safe delivery. And as she discovers upon cracking open Asked For's journal, Luce is also the one person who truly needs to read the young Puritan's story not only to get to the bottom of what happened to her ancestor who disappeared one night in Venice but also so she can begin to understand what it means to lead a passionate life. Luce's reading mirrors our own as the journal and letters are woven into the novel and give life to the second narrative of *What Casanova Told Me*. In 1797 Asked For Adams travels to Venice with her father and her intended husband, the stiff and unimaginative Francis Gooch, on a trade mission. Arriving at night by public barge, Asked For is intrigued by the eccentrics they encounter on board, especially a ridiculously wiggled old woman named Countess Flora Waldstein. But the charming countess is in fact Giacomo Casanova, disguised to avoid the authorities, and when the two meet up again at Venice's historic belltower, their destinies begin to intertwine. Upon the unexpected death of her father, Asked For abandons Francis and accepts Casanova's invitation to join him on a romantic quest to Constantinople. Her travel journal, kept in the style of the French novels that she so admires, tells the rich and exotic tale of their search for great love. Using Asked For's journal as a guide, Luce travels through Venice, Greece, and Turkey and begins to see how she can seize experience and come to terms with her mother's love for her and for Lee. And as the journeys of the two women converge, Luce finds her own way of moving through the world. Asked For learns what it means to live an ideal life and both discover the brilliance, passion, and generous spirit of the great Casanova. *What Casanova Told Me* has received rave reviews. The novel was a finalist for the 2004 Commonwealth Writers Prize, Canada and Caribbean Region, and was picked as one of *The Globe and Mail's* top books of 2004. It was also selected as one of the top ten books of the year by the *Calgary Herald*, the *Sun Times*, and *Toronto's NOW* magazine. *Maclean's* named Asked For Adams one of the five best fictional characters of 2004 and called her the utterly charming core of Susan Swan's parallel track historical novel.

*Mother of the Lamb* Matthew J. Milliner, 2022-10-04 *Mother of the Lamb* tells the remarkable story of a Byzantine image that emerged from the losing side of the Crusades. Called the Virgin of the Passion in the East and Our Lady of Perpetual Help in the West, the icon has expanded beyond its Byzantine origins to become one of the most pervasive images of our time. It boasts multiple major shrines on nearly every continent and is reflected in every epoch of art history since its origin, even making an appearance at the Olympics in 2012. Matthew Milliner first chronicles the story of the icon's creation and emergence in the immediate aftermath of the Third Crusade, whereupon the icon became a surprising emblem of defeat.

its own fame expanding in inverse proportion to Christendom's political contraction. Originally born as a Christian response to the Christian violence of the Crusades, it marked the moment when Mary's ministry of suffering love truly began. Having traced the icon's origin and ubiquity, Milliner teases out the painting's theological depth and continues the story of the icon's evolution and significance from its origins to the present day. As the story of the icon moves well beyond Byzantine art history, both temporally and thematically, it engages religion, politics, contemporary art, and feminist concerns at once. Always, though, the icon exemplifies dignity in suffering, a lesson that through this image Byzantium bequeathed to the wider world.

Encapsulating eleven centuries of development of the mourning Mary in Byzantium, the Virgin of the Passion emerges as a commendable icon of humility, a perennial watchword signaling the perils of imagined political glory. The Virgin of the Passion emblemizing political humility, the powerful agency of women, and the value of inter-Christian and extra-Christian concord is an exemplary Marian image for the fledgling twenty-first century.

**Is There a Future for Feminist Theology?** Deborah F. Sawyer, Diane M. Collier, 1999. Annotation: This collection was conceived at a time of apparent crisis within the academy of feminist theology. During the last two decades, feminist theology has provided a critique of religious and, in particular, Christian institutions, scriptures, symbols, and rituals. But as we reach the new millennium, the question needs to be asked: has this project of analysis and reconstruction based upon feminist principles run its natural course? These contributions answer this question through a reappraisal of feminist theology's achievements and by exploring the diverse possibilities for its future within the broader category of gender and religion.

*Women and Reiki* Judith MacPherson, 2017-07-05. *Women and Reiki* is the first ethnographic study of Reiki and energetic healing in Britain. The book argues that if we are to build an accurate and comprehensive picture of healing, we must examine the role of gender, representation, and power. Although women healers predominate at the grass roots level, these factors have been largely ignored in academic studies of New Age and alternative spiritualities. The acknowledgement of women's power in these studies is to be found somewhere between male-dominated biomedical approaches to health and apparently more egalitarian holistic discourse and practice. Using the work of theorists such as Michel Foucault and Meredith McGuire, the book shows that women healers are using Reiki and other healing spiritualities to actively engage in a politics of reclamation.

*Feminist Christian Encounters* Angela Pears, 2019-07-16. Originally published in 2004, *Feminist discourses* have focused sustained and sometimes devastating critical attention on Christianity over the last fifty years. Today, feminisms remain significant but often ambiguous forces in contemporary Christian theology. At a time in which questions about the success and viability of feminisms are increasingly posed, *Feminist Christian Encounters* makes a unique contribution to the ongoing investigation into the creative relationship between feminisms and Christianity. Angela Pears identifies some of the key theological and methodological mechanisms by which Christian feminist theologies are informed, sustained, and made possible by feminist values and critiques. Pears argues that

certain strategies characterize the facilitation of this dialogue in contemporary Christian feminist theologies enabling theologians to accept the values and critiques of feminisms whilst at the same time proclaim some level of commitment to Christianity Engaging in a process of deconstruction of the methodologies of key Christian theological thinkers who have made use of feminisms in their theologies this book reveals the mechanisms of feminist Christian encounter at work *In Search of the Labyrinth* Nicoletta Momigliano, 2020-09-03 Shortlisted for the European Association of Archaeologies 2023 book prize *In Search of the Labyrinth* explores the enduring cultural legacy of Minoan Crete by offering an overview of Minoan archaeology and modern responses to it in literature the visual and performing arts and other cultural practices The focus is on the twentieth century and on responses that involve a clear engagement with the material culture of Minoan Crete not just with mythological narratives in Classical sources as illustrated by the works of novelists poets avant garde artists couturiers musicians philosophers architects film directors and even psychoanalysts from Sigmund Freud and Marcel Proust to D H Lawrence Cecil Day Lewis Oswald Spengler Nikos Kazantzakis Robert Graves Andr Gide Mary Renault Christa Wolf Don DeLillo Rhea Galanaki L on Bakst Marc Chagall Mariano Fortuny Robert Wise Martin Heidegger Karl Lagerfeld and Harrison Birtwistle among many others The volume also explores the fascination with things Minoan in antiquity and in the present millennium from Minoan inspired motifs decorating pottery of the Greek Early Iron Age to uses of the Minoans in twenty first century music poetry fashion and other media *Integrating Spirituality into Multicultural Counseling* Mary A.
