

Oedipus Anne

*The Poetry
of Anne Sexton*

Diana Hume George

Oedipus Anne

Martin S. Bergmann

Oedipus Anne:

Oedipus Anne Diana Hume George, 1987 Merging feminist and Freudian psychoanalytic approaches this volume creates an illuminating portrait of Anne Sexton a female hero in the tradition of Oedipus and his tragic quest for truth George shows how Sexton's quest for knowledge transformed her into an embattled prophet as well as a tragic victim of her culture's malaise and how she explored the cultural myths and archetypal relationships between parent and child man and woman divine and human She contends that out of this exploration blossomed a poetry that is powerful moving and significant to mid 20th century artistic and psychic life ISBN 0 252 01298 4 24 95

Anne Sexton Diane Middlebrook, 1992-10-27 Anne Sexton began writing poetry at the age of twenty nine to keep from killing herself She held on to language for dear life and somehow in spite of alcoholism and the mental illness that ultimately led her to suicide managed to create a body of work that won a Pulitzer Prize and that still sings to thousands of readers This exemplary biography which was nominated for the National Book Award provoked controversy for its revelations of infidelity and incest and its use of tapes from Sexton's psychiatric sessions It reconciles the many Anne Sextons the 1950s housewife the abused child who became an abusive mother the seductress the suicide who carried kill me pills in her handbag the way other women carry lipstick and the poet who transmuted confession into lasting art

The New Anthology of American Poetry Steven Gould Axelrod, Camille Roman, Thomas Travisano, 2012-04-15 Steven Gould Axelrod Camille Roman and Thomas Travisano continue the standard of excellence set in Volumes I and II of this extraordinary anthology Volume III provides the most compelling and wide ranging selection available of American poetry from 1950 to the present Its contents are just as diverse and multifaceted as America itself and invite readers to explore the world of poetry in the larger historical context of American culture Nearly three hundred poems allow readers to explore canonical works by such poets as Elizabeth Bishop Robert Lowell and Sylvia Plath as well as song lyrics from such popular musicians as Bob Dylan and Queen Latifah Because contemporary American culture transcends the borders of the continental United States the anthology also includes numerous transnational poets from Julia de Burgos to Derek Walcott Whether they are the works of oblique avant gardists like John Ashbery or direct populist poets like Allen Ginsberg all of the selections are accompanied by extensive introductions and footnotes making the great poetry of the period fully accessible to readers for the first time

The Lonely Other Diana Hume George, 1996 The Lonely Other chronicles the life of a woman constantly facing new amazements In Wound Chevy at Wounded Knee Best of the Best American Essays 1994 Diana Hume Georgia recounts how she lived a trapped and futile life as a white teenage bride on an Indian reservation As an adult she confronts drunken hunters outside her isolated cabin she faces her fear of heights by climbing in the White Mountains she unflinchingly delves into her long standing engagement with Anne Sexton's poetry and into her own father's suicide Always she wonders Can women learn to travel alone on roads and in their daily lives without fear

Seduction and Theory Dianne Hunter, 1989 Sexton Anne Dietrich Marlene Freud Lacan **James and John Stuart**

Mill Bruce Mazlish, 1988-01-01 The story of James and John Stuart Mill is one of the great dramas of the 19th century. In the tense yet loving struggle of this extraordinarily influential father and son we can see the genesis of evolution of Liberal ideas about love, sex and women, wealth and work, authority and rebellion which ushered in the modern age. The result of more than a decade of research and reflection, this is a study of the relationship between James Mill, the self-made utilitarian philosopher who tried with only partial success to shape his son in his own image. Mazlish integrates psychology and intellectual history as part of his larger and continuing effort to spur deeper understanding of the character, limitations and possibilities of the social sciences. John Stuart Mill's rebellion against a joyless, loveless upbringing, one in strict accordance with the principles of Utilitarianism, was rooted in a powerful Oedipal struggle against his father's authority. Mazlish describes this rebellion as playing an important role in the genesis of classical nineteenth-century liberalism. Behind this intellectual development were the women in Mill's life: Harriet, the mother never mentioned by her son in his autobiography, and Harriet Taylor, with whom Mill lived in a scandalous if chaste ménage à trois. It was this long relationship which informed his famous essay 'The Subjection of Women', one of the most eloquent feminist statements ever written. A work of brilliant historical research and psychological insights, James and John Stuart Mill shows how the nineteenth-century struggle of fathers and sons shaped the social transformation of society.

Feast of Excess George Cotkin, 2015-11-13 In 1952 John Cage shocked audiences with 4'33" his compositional ode to the ironic power of silence. From Cage's minimalism to Chris Burden's radical performance art, two decades later in one piece he had himself shot. The post-war American avant-garde shattered the divide between low and high art between artist and audience. They changed the cultural landscape. Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965. The New Sensibility sought to push culture in extreme directions, either towards stark minimalism or gaudy maximalism. Through vignette profiles of prominent figures John Cage, Patricia Highsmith, Allen Ginsberg, Andy Warhol, Anne Sexton, John Coltrane, Bob Dylan, Erica Jong, and Thomas Pynchon, to name a few, George Cotkin presents their bold headline-grabbing performances and places them within the historical moment. This inventive and jaunty narrative captures the excitement of liberation in American culture. The roots of this release, as Cotkin demonstrates, began in the 1950s, boomed in the 1960s, and became the cultural norm by the 1970s. More than a detailed immersion in the history of cultural extremism, Feast of Excess raises provocative questions for our present-day culture.

Anna Freud, Melanie Klein, and the Psychoanalysis of Children and Adolescents Alex Holder, 2018-03-26 The central theme of this book is concerned with the controversies on technique between Anna Freud and Melanie Klein in the 1920s and 1930s and with a clear differentiation between child analysis proper and analytical child psychotherapy. Alex Holder takes into account the historic background in which child psychoanalysis developed, especially World War II and the Nazi regime in Germany. The author also looks at the way child psychoanalysis developed in specific institutions such as the Hampstead Child Therapy Course in London and in specific areas such as the spread of child analysis.

in the US The concluding chapter is on the importance of knowledge of child analysis among psychoanalysts working with adults The differences in the theories of the two greats in child analysis Anna Freud and Melanie Klein are examined one by one including such concepts as the role of transference the Oedipus complex and the superego **Shakespeare and the Classical Tradition** Lewis Walker,2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961 1985 Doctoral dissertations will also be included Each entry will provide a clear and detailed summary of an item s contents For pomes and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated For other works such as Hamlet any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics *Disalienation* Camille Robcis,2021-05-03 From 1940 to 1945 forty thousand patients died in French psychiatric hospitals The Vichy regime s soft extermination let patients die of cold starvation or lack of care But in Saint Alban sur Limagnole a small village in central France one psychiatric hospital attempted to resist Hoarding food with the help of the local population the staff not only worked to keep patients alive but began to rethink the practical and theoretical bases of psychiatric care The movement that began at Saint Alban came to be known as institutional psychotherapy and would go on to have a profound influence on postwar French thought In *Disalienation* Camille Robcis grapples with the historical intellectual and psychiatric meaning of the ethics articulated at Saint Alban by exploring the movement s key thinkers including Fran ois Tosquelles Frantz Fanon Felix Guattari and Michel Foucault Anchored in the history of one hospital Robcis s study draws on a wide geographic context revolutionary Spain occupied France colonial Algeria and beyond and charts the movement s place within a broad political economic landscape from fascism to Stalinism to postwar capitalism Confessional Poetry in the Cold War Adam Beardsworth,2022-02-02 This book explores how confessional poets in the 1950s and 1960s US responded to a Cold War political climate that used the threat of nuclear disaster and communist infiltration as affective tools for the management of public life In an era that witnessed the state sanctioned repression of civil liberties poets such as Robert Lowell John Berryman Sylvia Plath Anne Sexton and Randall Jarrell adopted what has often been considered a politically benign confessional style Although confessional writers have been criticized for emphasizing private turmoil in an era of public crisis examining their work in relation to the political and affective environment of the Cold War US demonstrates their unique ability to express dissent while averting surveillance For these poets writing the fear and anxiety of life in the bomb s shadow was a form of poetic doublespeak that critiqued the impact of an affective Cold War politics without naming names **Transgressing Boundaries** Floriana Puglisi,2006

Twentieth-Century American Poetry Christopher MacGowan,2008-04-15 Written by a leading authority on William Carlos Williams this book provides a wide ranging and stimulating guide to twentieth century American poetry A wide

ranging and stimulating critical guide to twentieth century American poetry Written by a leading authority on the innovative modernist poet William Carlos Williams Explores the material historical and social contexts in which twentieth century American poetry was produced Includes a biographical dictionary of major writers with extended entries on poets ranging from Robert Frost to Adrienne Rich Contains a section on key texts considering major works such as *The Waste Land* *North South* *Howl* and *Ariel* The final section draws out key themes such as American poetry politics and war and the process of anthologizing at the end of the century

We Heal from Memory C. Steele, 2016-04-30 Through an examination of the poetry of Anne Sexton Audre Lorde and Gloria Anzald a *We Heal From Memory* paints a vivid picture of how our culture carries a history of traumatic violence child sexual abuse the ownership and enforcement of women s sexuality under slavery the transmission of violence through generations and the destruction of non white cultures and their histories through colonization According to Cassie Premo Steele the poetry of Sexton Lorde and Anzald a allows us to witness and to heal from such disparate traumatic events

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

[The Taboo](#) Harold Bloom, Blake Hobby, Sterling Professor of Humanities Harold Bloom, 2010 From a Polynesian word meaning prohibition a taboo is a social more that should never be broken This volume discusses the role of the taboo in *Howl* *Lolita* *Lord of the Flies* *The Miller s Tale* and many more works

[The Complete Inspector Morse \(Updated and Expanded Edition\)](#) David Bishop, 2011-11-15 A companion to the PBS Mystery hit Inspector Morse TV series covering all 33 episodes of the show as well as the original novels that inspired the series and other related media such as the radio plays Also includes a critique of each episode along with useful facts details of the soundtracks and key character beats It also includes a brief discussion of the hugely successful spin off series *Lewis*

Contemporary American Women Poets Catherine Cucinella, 2002-11-30 This reference contains alphabetically arranged entries on nearly 70 American women poets who published significant works after WWII Each entry consists of four sections Biography Major Works and Themes Critical Reception and Bibliography both primary and secondary Those profiled include well known poets such as Maya Angelou and Sylvia Plath as well as those who are only beginning to attract the interest of critics Annotation copyrighted by Book News Inc Portland OR

[Reimagining Greek Tragedy on the American Stage](#) Helene P. Foley, 2014-06-26 This book explores the emergence of Greek tragedy on the American stage from the nineteenth century to the present Despite the gap separating the world of classical Greece from our

own Greek tragedy has provided a fertile source for some of the most innovative American theater Helene P Foley shows how plays like Oedipus Rex and Medea have resonated deeply with contemporary concerns and controversies over war slavery race the status of women religion identity and immigration Although Greek tragedy was often initially embraced for its melodramatic possibilities by the twentieth century it became a vehicle not only for major developments in the history of American theater and dance but also for exploring critical tensions in American cultural and political life Drawing on a wide range of sources archival video interviews and reviews Reimagining Greek Tragedy on the American Stage provides the most comprehensive treatment of the subject available *The Unconscious in Shakespeare's Plays* Martin S.

Bergmann, 2018-05-01 Just as concerts emerge from the interaction of many instruments so our understanding of Shakespeare is enriched by different approaches to him Psychoanalysis assumes that creative writers have the need to both reveal and conceal their own inner conflicts in their works They leave residues in their works that if we pay attention can become building blocks that reveal aspects of the unconscious Readers may find that the questions raised add to the pleasure of reading Shakespeare and that they deepens their understanding of his plays Topics covered include the pivotal position of Hamlet the poet and his calling the Oedipus complex intrapsychic conflict the battle against paranoia and the homosexual compromise By using psychoanalytic techniques in analyzing his plays and characters the author reveals more about Shakespeare's hidden motivations and mental health
