Oedipus Judaicus W. Drummond, 2014-03 This Is A New Release Of The Original 1811 Edition Egyptian Oedipus Daniel Stolzenberg, 2013-04 Inhalt Introduction Oedipus in exile 1 Esoteric antiquarianism 2 How to get ahead in the republic of letters 3 Oedipus in Rome 4 Ancient theology and the antiquarian 5 The discovery of oriental antiquity 6 Erudition and censorship 7 Symbolic wisdom in an age of criticism 8 Oedipus at large Epilogue The twilight of tradition and the clear light of history The Making of an Anglo-Jewish Scholar David B. Ruderman, 2025-06-16 This book is a study of the life and thought of the Polish Jew Solomon Yom Tov Bennett 1767 1838 who immigrated to London where he spent the last forty years of his life In focusing on Bennett's learned life it underscores the significance of this singular writer artist and public figure especially his remarkable dual interests in art and thought his biblical scholarship his social and intellectual connections with some of the most famous and accomplished Christian intellectuals of London and his self determination to complete his life long ambition of serving Western civilization by correcting and rewriting the entire standard edition of the English Old Testament Bennett's Christian associates respected his learning and were willing to accept him as a Jew in their ranks His integration into the upper echelons of the Christian literary establishment dukes jurists theologians and other scholars did not impede his loyalty to his faith On the contrary Bennett's Christian friends made him more Jewish more convinced of Judaism's moral force and more secure in his own skin as a member of a proud minority among Christian elites supposedly liberated so he hoped from the dark hostility of the Christian past His supreme act of translating the Bible constituted the ultimate payback he could offer the altruistic Christians he had met open to welcoming him not despite his Jewishness but because of it Bennett's transformation from a Polish Jewish immigrant to a proud Anglo Jew exemplifies a unique path of modern Jewish life and self reflection one ultimately shaped by the particular ambiance of his newly adopted country *Twelve-Tribe Nations and the Science of Enchanting the Landscape* John F. Michell, John Michell, Christine Rhone, 1991-01-01 Phanes fa nays means manifester or revealer and is related to the Greek words light and to shine forth Phanes Press was founded in 1985 to publish quality books on the spiritual philosophical and cosmological traditions of the Western world Since that time we have published 45 books including five volumes of Alexandria a book length journal of cosmology philosophy myth and culture The year 2000 marks our fifteen year anniversary and we are working to bring out more interdisciplinary works including books on creativity psychology literature and the intersections between science spirituality and culture Study of ancient zodiacal societies and the enchantments which kept them in harmony with the cosmos Islam and the English Enlightenment, 1670-1840 Humberto Garcia, 2012-01-30 A corrective addendum to Edward Said's Orientalism this book examines how sympathetic representations of Islam contributed significantly to Protestant Britain's national and imperial identity in the eighteenth century Taking a historical view Humberto Garcia combines a rereading of eighteenth century and Romantic era British literature with original research on Anglo Islamic

relations He finds that far from being considered foreign by the era's thinkers Islamic republicanism played a defining role in Radical Enlightenment debates most significantly during the Glorious Revolution French Revolution and other moments of acute constitutional crisis as well as in national and political debates about England and its overseas empire Garcia shows that writers such as Edmund Burke Lady Mary Wortley Montagu Samuel Taylor Coleridge Robert Southey and Percy and Mary Shelley not only were influenced by international events in the Muslim world but also saw in that world and its history a viable path to interrogate contest and redefine British concepts of liberty This deft exploration of the forgotten moment in early modern history when intercultural exchange between the Muslim world and Christian West was common resituates English literary and intellectual history in the wider context of the global eighteenth century The direct challenge it poses to the idea of an exclusionary Judeo Christian Enlightenment serves as an important revision to post 9 11 narratives about a historical clash between Western democratic values and Islam The World of Mr Casaubon Colin Kidd,2016-10-31 This book explores the intellectual contexts for Mr Casaubon a central character in George Eliot's classic and much loved novel Middlemarch **Nineteenth Century Short-title Catalogue: phase 1. 1801-1815** ,1984 *The Lamb Christology of the Apocalypse of John* Loren L.
