The Luxury of Nationalist Despair A.J. Simoes da Silva, 2021-11-01 This book offers a timely critique of the work of the Barbadian novelist George Lamming examining the ways in which his novels exhibit the luxury of nationalist despair and exploring the tensions between his strongly voiced anti colonialism and his ambiguously articulated politics of self Although stressing the place occupied by Lamming and his work in the context of an anti colonial first generation of nation writing that has emerged in the formerly colonized world over the past half century the study also addresses the novelist s problematic reductive focus on a nationalist project that is ultimately deeply flawed in essence the result of an uneasy relationship between form and thesis Lamming s continued struggle with the novel as a genre especially with its ability to get beyond the cultural and political baggage of colonialism demonstrates the power of one of his most poignant assertions the colonial experience is a continuing psychic experience that has to be dealt with long after the actual situation formally ends Written from a postcolonial perspective the study draws also on contemporary feminist criticism in order to examine Lamming s characteristically simplistic depiction of female characters in terms of a greater willingness to embody the neocolonial The book starts by addressing the place Lamming s work occupies both within postcolonial writing at large and specifically within Caribbean literature Subsequent chapters provide close

textual readings of Lamming's six novels paired in terms of their foregrounding of issues of race, gender, and class. Despite a clear shift in Lamming's thematic focus on the rewriting of Caliban's project with his last novel offering a basis for a reimagining of the postcolonial encounter, there remains a perturbing inability to relinquish the privileged stance afforded the postcolonial intellectual in self-imposed exile, cultural much more than geographical. The book represents an important contribution to criticism on the work of one of the most influential voices in postcolonial literature of the last fifty years.

The Age of Innocence (Edith Wharton Classic) Edith Wharton, 2020-08-15. *The Age of Innocence* is a 1920 novel by American author Edith Wharton. It was her twelfth novel and was initially serialized in 1920 in four parts in the magazine *Pictorial Review*. Later that year it was released as a book by D. Appleton Company. This *Age of Innocence* set for Wharton's childhood is softer than Wharton's *House of Mirth*, published in 1905. In her autobiography, Wharton wrote of *The Age of Innocence* that it had allowed her to find a momentary escape in going back to my childish memories of a long vanished America; it was growing more and more evident that the world I had grown up in and been formed by had been destroyed in 1914. Experts and readers alike agree that *An Age of Innocence* is basically a story that struggles to reconcile the old with the new.
