Wavell in the Middle East, 1939-1941 Harold E. Raugh,2013-03-18 This masterly study of generalship covers two years of intense operational activity during which Field Marshal Wavell as Commander in Chief Middle East was at one point conducting no fewer than five campaigns simultaneously Two of those campaigns will stand in history as truly great victories and one the campaign in Greece in 1941 as a source of endless controversy Harold E Raugh Jr has drawn upon previously unavailable official documents and interviewed or corresponded with a wide range of soldiers who served under Wavell Raugh shows how Wavell's early experience as a soldier and budding commander were reflected in his later decision making and shrewd military vision Although Wavell's charismatic personality endeared him to all who served under him and earned him the profound respect of his fellows and even of the enemy his natural taciturnity brought him into conflict with his political masters In spite of his enormous military achievements at one of the most critical periods in his country's history Wavell has been undeservedly relegated to obscurity a historical oversight that Raugh corrects with this richly detailed book

Cecil Beaton Hugo Vickers,2020-03-05 Cecil Beaton was one of Britain's greatest cultural icons not just as a

photographer capturing some of the most celebrated portraits of the 20th century but also as designer of the iconic sets and costumes for the films *My Fair Lady* and *Gigi*. In 1980 Beaton personally chose Hugo Vickers to be his biographer entrusting him with his diaries and the entire body of letters he had written both personally and professionally over the course of his life. Drawing on five years of intensive research and interviews with the likes of Audrey Hepburn, Truman Capote, Princess Grace of Monaco and Sir John Gielgud, Vickers' biography was an instant bestseller upon its publication in 1985. Exploring Beaton's metamorphosis from being the child of a staid middle class family to an international figure mingling with the glittering stars of his age, the biography also details his great love for Greta Garbo and reveals his private sense of failure that the success he always wanted as a playwright eluded him. Republished in a new paperback edition in time for *Bright Young Things*, a major exhibition at the National Portrait Gallery in 2020, Cecil Beaton is the definitive and authorised biography of one of the world's most fascinating, famous and admired photographers.

Guy Burgess Stewart Purvis, Jeff Hulbert, 2016-01-28 Cambridge

spy Guy Burgess was a supreme networker with a contacts book that included everyone from statesmen to socialites, high ranking government officials to the famous actors and literary figures of the day. He also set a gold standard for conflicts of interest, working variously and often simultaneously for the BBC, MI5, MI6, the War Office, the Ministry of Information and the KGB. Despite this, Burgess was never challenged or arrested by Britain's spy catchers in a decade and a half of espionage. Dirty, scruffy, sexually promiscuous, a slob, conspicuously drunk and constantly drawing attention to himself, his superiors were convinced he was far too much of a liability to have been recruited by Moscow. Now, with a major new release of hundreds of files into the National Archives, Stewart Purvis and Jeff Hulbert reveal just how this charming establishment insider was able to fool his many friends and acquaintances for so long, ruthlessly exploiting them to penetrate major British institutions without suspicion. All the while working for the KGB, Purvis and Hulbert also detail his final days in Moscow, so often a postscript in his story as well as the moment the establishment finally turned on him, outmanoeuvring his attempts to return to England after he began to regret his decision to defect.

Winston's Bandits Adrian Phillips, 2024-08-29

Though today he is hailed as one of Britain's greatest leaders throughout his career, Winston Churchill was an outsider, accumulating a reputation for bad judgement and untrustworthiness. Only risk takers and fellow outsiders would back him, but these strong and often feuding personalities proved to be vital to his decision making in war and peace alike. *Winston's Bandits* provides for the first time a detailed account of his greatest friendships. These friends were Max Aitken, Lord Beaverbrook, a press baron who craved power but only on his own terms; Frederick Lindemann, later Lord Cherwell, an ascetic and quarrelsome scientist who believed in Churchill's intellectual genius; Brendan Bracken, an Irishman from a humble background who reinvented himself as a major force in financial publishing and gave Churchill unconditional support; the young Bob Boothby, who would earn notoriety for adventurous sexual conduct and dubious financial dealings; Randolph Churchill, who was often a disappointment and burden to his father; and Duncan Sandys,

who reaped the full benefits of being Churchill's son in law in his political career Together they were Winston's bandits This remarkable book explores how Churchill's relationships with these forceful and intriguing sparring partners provide the key to understanding his greatest triumphs and disasters *The British National Bibliography* Arthur James Wells, 1970

Wavell Victoria Schofield, 2011-02-23 Archibald Wavell's life and career makes a marvelous subject Not only did he reach the highest rank Field Marshal and become an Earl and Viceroy of India but his character was complex He joined the Black Watch in 1901 He stood out during the Great War quickly earning the Military Cross but losing an eye He was at Versailles in 1918 but between the Wars his career advanced with Brigade and General commands notably in Palestine where he spotted Orde Wingate By the outbreak of war he was GOC in C Middle East Early successes against the Italians turned into costly failures in Greece and Crete and Wavell lost the confidence of Churchill their temperaments differed completely Wavell was sent to India as C in C After Pearl Harbor Wavell was made Supreme Allied Commander for the SW Pacific and bore responsibility for the humiliating loss of Singapore he quickly recognized that it could not be held Problems in Burma tested Churchill's patience and he was removed from command to be Viceroy and Governor General of India As civil unrest and demands for independence grew in 1947 Prime Minister Attlee replaced Wavell with Mountbatten who oversaw Partition Wavell died in 1950 after a life of huge achievement tempered with many reverses most of which were not of his making
