Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada

Trevor W. Harrison, John W. Friesen

Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada:

Of Passionate Intensity Trevor Harrison, 1995 *Of Passionate Intensity* looks at the problems faced by liberal democracies worldwide from the unique perspective of Canadian history and politics In this timely book Trevor Harrison examines the historical social and ideological forces that give rise to changing political formations particularly populist parties and movements The federal election of 25 October 1993 was a watershed in Canadian political history While the Liberal party regained power the real election story was the near eclipse of two of Canada's traditional parties the NDP and the Progressive Conservatives and the rise to prominence of two neophyte parties the Bloc Quebecois and the Reform party Founded in 1987 the Reform party has achieved extraordinary popularity What factors explain Reform's success Who supports the party And what is likely to be its long term political future Harrison provides an empirical and theoretically informed response to these questions and others Drawing from Canadian history economic developments and political and cultural contexts Harrison incorporates a broad range of sources He uses a historical sociological methodology employing surveys interviews newspaper accounts and primary documents On a theoretical level the text uses the case of the Reform party as a means of addressing the questions Why do populist parties arise and What factors influence their ideological orientation *Of Passionate Intensity* concludes with a discussion of the nature of populist politics and the promise of popular democracy in the future BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Populism in Canada Eric Montigny, 2025-07-14 For the first time in modern Canadian history the leader of one of the two governing party was chosen on a decidedly populist platform Before the election of Pierre Poilievre as leader of the Conservative Party many believed that Canada was immune to populism In the months following his arrival as leader of the Official opposition the polls in his favor soared So much so that it prompted Prime minister Justin Trudeau's resignation The success of Poilievre's stand in favor of the working class also forced the main left wing party the NPD to adopt an even more populist tone Does Pierre Poilievre's populism come from Donald Trump's playbook Are the 2022 truckers occupation of Ottawa and the post Covid pandemic inflationary context explanatory factors This new populism made in Canada is essentially economic with no nativist component But its first victims were carbon pricing policies to combat climate change From a global perspective what lessons can we draw from this shift in Canadian politics **Right-Wing Populism in**

America Chip Berlet, Matthew N. Lyons, 2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States Illuminated is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku

Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America *The Global Rise of Populism* Benjamin Moffitt, 2016-05-31 Once seen as a fringe phenomenon populism is back While some politicians and media outlets present it as dangerous to the U S Europe and Latin America others hail it as the fix for broken democracies Not surprisingly questions about populism abound Does it really threaten democracy Why the sudden rise in populism And what are we talking about when we talk about populism *The Global Rise of Populism* argues for the need to rethink this concept While still based on the classic divide between the people and the elite populism's reliance on new media technologies its shifting relationship to political representation and its increasing ubiquity have seen it transform in nuanced ways that demand explaining Benjamin Moffitt contends that populism is not one entity but a political style that is performed embodied and enacted across different political and cultural contexts This new understanding makes sense of populism in a time when media pervades political life a sense of crisis prevails and populism has gone truly global **One West, Two Myths II** Robert Thacker, C. L. Higham, 2006 Presents scholarly views on the comparison of the Canadian and American Wests and the various methodologies involved *Canadian Society in the Twenty-First Century, Fourth Edition* Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada's nationhood in 1867 but the relationships framing Canada's modern existence go back much further Employing a unique socio historical perspective *Canadian Society in the Twenty First Century* examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation's economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada's petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history **Ethnicity, Politics, and Public Policy** Harold R. Troper, 1999-01-01 Ten essays on multiculturalism form a comprehensive picture of the problems and prospects of pluralism and mirror the nuanced issues which arise when

theories and goals of cultural sensitivity confront real life *Re-inventing the Italian Right* Stefano Fella, Carlo Ruzza, 2009-06-26 Following his third election victory in 2008 the Italian Prime Minister Silvio Berlusconi was the most controversial head of government in the EU This is a cogent examination of the Berlusconi phenomenon exploring the success and development of the new populist right wing coalition in Italy since the collapse of the post war party system in the early 1990s Carlo Ruzza and Stefano Fella provide a comprehensive discussion of the three main parties of the Italian right Berlusconi's Forza Italia the xenophobic and regionalist populist Northern League and the post fascist National Alliance The book assesses the implications of this controversial right for the Italian democratic system and examines how the social and political peculiarities of Italy have allowed such political formations to emerge and enjoy repeated electoral success Framed in a comparative perspective the authors explore the nature of the Italian right in the context of right wing parties and populist phenomena elsewhere in other advanced democracies drawing comparisons and providing broader explanations locate the parties of the Italian right within the existing theoretical conceptions of right wing and populist parties utilising a multi method approach including a content analysis of party programmes highlight the importance of political and discursive opportunities in explaining the success of the Italian right and the agency role of a political leadership that has skilfully shaped and communicated an ideological package to exploit these opportunities Providing an excellent insight into a key European nation this work provides a thoughtful and stimulating contribution to the research on the Italian right and its implications for democratic politics **Manitoba Politics and Government** Paul Thomas, Curtis Brown, 2010-09-01

Manitoba has always been a province in the middle geographically economically and culturally Lacking Quebec's cultural distinctiveness Ontario's traditional economic dominance or Alberta's combustible mix of prairie populism and oil wealth Manitoba appears to blend into the background of the Canadian family portrait But Manitoba has a distinct political culture one that has been overlooked in contemporary political studies Manitoba Politics and Government brings together the work of political scientists historians sociologists economists public servants and journalists to present a comprehensive analysis of the province's political life and its careful mutual fund model approach to economic and social policy that mirrors the steady and cautious nature of its citizens Moving beyond the Legislature the authors address contemporary social issues like poverty environmental stewardship gender equality health care and the province's growing Aboriginal population to reveal the evolution of public policy in the province They also examine the province's role at the intergovernmental and international level Manitoba Politics and Government is a rich and fascinating account of a province that strives for the centre for the delicate middle ground where individualism and collectivism overlap and where a multitude of different cultures and traditions create a highly balanced society *Requiem for a Lightweight* Trevor Harrison, 2002 This is the story of Stockwell Day a small town politician of modest accomplishments whom the big boys with the big money and the handlers with the smarts thought could be sold as the Great Right Hope This book chronicles it all the people personalities and politics

Throughout the question of media image is placed front and centre as the book explores the growing problem of rational democratic politics in an era of celebrity image and instant culture

Power and Inequality Levon Chorbajian, 2021-05-30 Successfully bringing together accessible readings that cover the broad range of issues of importance to those studying politics and society this new edition of *Power and Inequality* provides a unique mix of theoretical and empirical pieces such as state and electoral politics that address both classic issues in political sociology and more recent developments such as globalization With strong integration of race and gender throughout this collection offers a coherent analysis of power that reflects the contributions of a variety of critical perspectives including Marxism feminism critical race theory postmodernism and power structure theory

Left and Right Christopher Cochrane, 2015-10-01 The words left and right often signal a political divide in debates about topics as diverse as abortion capital punishment gun control social welfare taxation immigration and the environment Despite claims that political polarization is in decline its persistence suggests that it is inherent to our society At the same time variations in the perception of each side indicate that these labels do not fully capture the reality of ideological disagreement In *Left and Right* Christopher Cochrane traces the origins of this political language to the very nature of ideology What is ideology what does it look like and how does it manifest itself in patterns of political disagreement in Western democracies Drawing on five decades of evidence from political scientists including public opinion surveys elite surveys and content analysis of political party election platforms Cochrane employs a new method to analyze the structure and evolution of the left right divide in twenty one Western countries since 1945 He then delves into the central argument of the book that the language of left and right describes a meaningful perceptible and quantifiable pattern of political disagreement that has persisted over time and around the world Calling for an adjustment to the way we view Canadian politics *Left and Right* opens a window into the world of political ideologies a world we see every day but rarely analyze define or agree on

Contested Classrooms Parkland Institute, 1999-03 Education has become a battlefield the classroom the arena where the contest is fought The 1997 Ontario teachers strike the federal government's Millennium Scholarship and a wave of protests across the country are among the signals that the war is heating up Alberta stands as a Canadian model of radical education reform propelled by economic necessity But is all reform necessarily right or good and who decides A range of commentators teachers scholars parents and others discuss the conflict in Alberta's schools

Elections in Canada Tamara Small, Royce Koop, 2025-05-06 Elections serve as a reflection not only of voter choices but also of the historical and legal context of a country's governance Emphasizing the significant influence of the electoral process *Elections in Canada* examines the intricate relationships between voter preferences historical and legal frameworks campaign dynamics political figures and media platforms Organized into five comprehensive sections the book provides a detailed exploration of Canadian electoral processes Beginning with a broad examination of election administration it situates the analysis within a wider democratic and comparative context The book outlines key institutional building blocks

and the unique constitutional and legislative settings that have evolved since Confederation It analyses national campaigns constituency campaigns third parties and journalists as well as the pivotal role of political communication debates and polling Reflecting on the diverse landscape of voter participation the book considers the engagement of women Indigenous peoples racialized individuals and LGBTQ2 communities It sheds light on landmark cases discussing five pivotal elections that had long standing impacts on the development of Canadian political history Ultimately Elections in Canada draws on a variety of perspectives to provide politics students and instructors with a comprehensive overview of both contemporary and historical Canadian elections

Applied Political Theory and Canadian Politics David McGrane, Neil Hibbert, 2019-01-01 Bringing together political theorists and specialists in Canadian politics Applied Political Theory and Canadian Politics combines conceptual frameworks from political theory and empirical evidence to offer fresh perspectives on political events in contemporary Canada Examining complex and timely subjects such as equality social justice democracy citizenship and ethnic diversity contributors present current and archival research supplemented with insights drawn from political theory to give readers a deep and nuanced understanding of increasingly pressing issues in Canadian society For scholars and students seeking a work of political theory that is tangible focused and connected to the real world of everyday politics Applied Political Theory and Canadian Politics will be an important resource combining philosophical insights and empirical evidence to enhance our understanding of contemporary Canadian politics

Group Politics and Social Movements in Canada Miriam Smith, 2014-01-01 Group Politics and Social Movements in Canada Second Edition updates and expands its exploration of a wide range of organized group and social movement activity in Canadian politics Particularly distinctive is the inclusion of Quebec nationalism and Aboriginal politics Many other areas of collective activity are also included the Occupy movement and anti poverty organizing ethnocultural political mobilization disability lesbian and gay politics feminism farmers and organized interests in agriculture Christian evangelical groups environment and health movements Contributors to the collection employ a number of theoretical perspectives from political science and sociology to describe the evolution of organized groups and movements and to evaluate successes in exercising influence on Canadian politics Each chapter provides an overview of the group or movement along with an account of its main networks and organizations strategies goals successes and failures

Group Politics and Social Movements in Canada, Second Edition Miriam Smith, 2014-04-04 Group Politics and Social Movements in Canada Second Edition updates and expands its exploration of a wide range of organized group and social movement activity in Canadian politics Particularly distinctive is the inclusion of Quebec nationalism and Aboriginal politics Many other areas of collective activity are also included the Occupy movement and anti poverty organizing ethnocultural political mobilization disability lesbian and gay politics feminism farmers and organized interests in agriculture Christian evangelical groups environment and health movements Contributors to the collection employ a number of theoretical perspectives from political science and sociology to describe the evolution of

organized groups and movements and to evaluate successes in exercising influence on Canadian politics Each chapter provides an overview of the group or movement along with an account of its main networks and organizations strategies goals successes and failures *Peasants, Populism and Postmodernism* Dr Tom Brass,2013-02-01 Tracing the way in which the agrarian myth has emerged and re emerged over the past century in ideology shared by populism postmodernism and the political right the argument in this book is that at the centre of this discourse about the cultural identity of otherness difference lies the concept of and innate peasant ness In a variety of contextually specific discursive forms the old populism of the 1890s and the nationalism and fascism in Europe America and Asia during the 1920s and 1930s were all informed by the agrarian myth The postmodern new populism and the new right both of which emerged after the 1960s and consolidated during the 1990s are also structured discursively by the agrarian myth and with it the ideological reaffirmation of peasant essentialism **Political Institutions and Lesbian and Gay Rights in the United States and Canada** Miriam

Smith,2008-08-18 Lesbian and gay citizens today enjoy a much broader array of rights and obligations and a greater ability to live their lives openly in both the U S and Canada However while human rights protections have been exponentially expanded in Canada over the last twenty years even basic protections in areas such as employment discrimination are still unavailable to many in the United States This book examines why these similar societies have produced such divergent policy outcomes focusing on how differences between the political institutions of the U S and Canada have shaped the terrain of social movement and counter movement mobilization It analyzes cross national variance in public policies toward lesbians and gay men especially in the areas of the decriminalization of sodomy the passage of anti discrimination laws and the enactment of measures to recognize same sex relationships For political science sociology and queer studies alike this book will prove vital as movements for lesbian and gay rights continue to recast the social landscape in North America and beyond

Social Discredit Janine Stingel,2000 In *Social Discredit* Janine Stingel exposes a crucial yet previously neglected part of Social Credit history the virulent anti Jewish campaign it undertook before during and after the Second World War While most Canadians acknowledged the perils of race hatred in the wake of the Holocaust Social Credit intensified its anti Semitic campaign By examining Social Credit s anti Semitic propaganda and the reaction of the Canadian Jewish Congress Stingel details their mutual antagonism and explores why Congress was unable to stop Social Credit s blatant defamation She argues that Congress s ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance Stingel shows that both Social Credit and Congress changed considerably in the post war period as Social Credit abandoned its anti Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada *Social Discredit* offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies

Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada Introduction

In today's digital age, the availability of Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada books and manuals for download and embark on your journey of knowledge?

FAQs About Of Passionate Intensity Right Wing Populism And The Reform Party Of Canada Books
