and massacred thousands including her own sister eight generations ago thus beginning the Rival Heir tradition Living in Raina's long and dark shadow Eva must now face her older sister Isa in a battle to the death if she hopes to ascend to the Ivory Throne because in the Queendom of Myre only the strongest most ruthless rulers survive When Eva is attacked by an assassin just weeks before the battle with her sister she discovers there is more to the attempt on her life than meets the eye and it isn't just her sister who wants to see her dead As tensions escalate Eva is forced to turn to a fey instructor of mythic proportions and a mysterious and handsome khimaer prince for help in growing her magick into something to fear Because despite the love she still has for her sister Eva will have to choose Isa's death or her own A River of Royal Blood is an enthralling debut set in a lush ancient North African inspired fantasy world that subtly but powerfully challenges our notions of power history and identity
