Shortt, and a Geographical and Statistical Memoir of the Neilgherry Mountains by Colonel Ouchterlony** John Shortt (Botanist?), 1868      **Through Time** Festus Arinze Aliba, 2012-06 THROUGH TIME is an anthology of poems A compact of two anthologies a Hidden through time b Drops through time in one book The poem honours the intrinsic nature of man extrinsic nature of the world and the challenges of time to making man live out above the norms of life There is no under judgment about the fact that births of transparent green tangibles are consequences of conception and only the green coating of a mind knows the white substance that feeds the soul of man to make progenies In it nature is ceased to function and we all are glad FESTUS ARINZE ALIBA in this book exposes the need for man to have softer air to breathe from and giving awareness about the hopeful green to achieve Thus the book aims at making man moist and wet in Love and Life to cause him to be evaporative enough to cause rain in seasons and to make other men of substance have spherical increment on radius      **Bulletin of the United States Geological Survey**, 1949      **A Life of General Robert E. Lee** John Esten Cooke, 2006 The military genius of General Robert E Lee is conceded by all but this does not account for the fact that his very enemies love the man His private character is the origin of this sentiment The soldier was great but the man himself was greater Those who knew him best loved him the most The crowning grace of this man who was thus not only great but good was the humility and trust in God which lay at the foundation of his character He had lived as he died with this supreme trust in an overruling and merciful Providence His faith and humble trust sustained him both through and after the war The writer of this biography attempts to present an accurate likeness of Lee and to narrate clearly the incidents of his career the aim of the author is to measure out full justice to all not to arouse old enmities which should be allowed to slumber but to treat his subject with the judicial moderation of the student of history      **General Index to the Second Ten Volumes of the Journal of the Royal Geographical Society** Royal Geographical Society (Great Britain), 1844      *Journals of Australian Explorations* Augustus Charles Gregory, Francis Thomas Gregory, 2022-05-28 The Journals of Australian Explorations unveils a captivating tableau encapsulating the rugged and uncharted landscapes of 19th century Australia This anthology weaves a vivid narrative of exploration and discovery capturing the essence of pioneering spirits through diverse literary forms from descriptive prose to meticulous journaling
