Of Murderous Intent:

Of Murderous Intent Donald N. Isaac DMD,2001-11 Of Murderous Intent the second novel of a mystery trilogy evolves around a great many shady happenings going on in Las Vegas that consistently wind up on the doorstep of Case Diamond Private Investigator Wouldn't you be overly concerned if you came into a great deal of wealth and then became the target of a criminal mindset wanting to take it from you to the extent of actually making attempts on your life Case Diamond and company would no doubt become your first option for assistance Circumstances erupt into an ongoing series of varied attacks against his clients friends associates and relatives Dealing with this kind of ongoing trauma is bound to be challenging and exciting at the same time Travel with us through the intriguing twists and turns of these adventures and test your powers of deduction to discover just who really is responsible for all this mayhem **When Deadly Force Is Involved** Bruce M. Lawlor,2017-03-17 Self defense as a legal concept is easy to describe but difficult to apply Generally a person who is without fault may use reasonable force or defensive force for the purpose of defending one's own life or the lives of others including in certain circumstances the use of deadly force provided there is no reasonable alternative to avoid it When someone begins to parse the words of this description however he or she runs immediately into a maze of self defense laws that appear to be at odds with each other Bruce Lawlor clears up the confusion by identifying the major issues that surface in most self defense cases and by describing how the law has dealt with them historically Its purpose is not to provide legal advice but to illuminate the path that must be taken to decide whether a claim of self defense is valid It examines a variety of issues including the duty to retreat and stand your ground laws what is a deadly threat when is fear of mortal danger reasonable and even what happens when a person mistakenly shoots someone in self defense When Deadly Force Is Involved A Look at the Legal Side of Stand Your Ground Duty to Retreat and Other Questions of Self Defense brings a bit of order to the confusion behind self defense The Word Volume 4: 1977-1980 Elizabeth Clare Prophet,2020-01-01 Jesus Christ is the avatar of the ages the same yesterday today and forever We knew him when he walked the streets of Atlantis and Lemuria We also knew him in eras of darkness when he sought to lead men to the light His message did not begin with the Bible nor did it end with the Book of Revelation He has never stopped speaking to his own Two thousand years ago he foretold a time of tribulation the end of an age That time has come It is the era when the mystery of God should be finished when the Two Witnesses should prophecy a thousand two hundred and threescore days And so Jesus once more delivers his Word to a world in transition As always the message is one of judgement to the fallen angels admonishment to those who would walk in the light hope for all who are striving on the path and the vision of golden age to come This volume includes dictations by Jesus Christ through Elizabeth Clare Prophet given from 1977 to 1980 *Battle God Emperor* Feng ShiSanLang,2020-10-03 The invincible Heaven Fighting Saint was betrayed by his celestial wife and brothers He was reborn in his youth and swore to become the War God Emperor in this world He would crush all strong enemies and peerless beauties and beat them up A hot

blooded battle with no end in sight In the vast and boundless Pangu Continent large and small sects ancient sacred lands ancient aristocratic clans and ten thousand different dynasties competed against each other in the many secular dynasties the imperial power was supreme ruling over ten thousand miles Was it to become an ant or an ordinary spirit or to condense battle qi to become a warrior to awaken the three types of battle spirits to experience hundreds of battles to comprehend the four types of battle force to become a peerless expert to become a Holy Land of War to shatter the void and to compete with the Heavens This was a world of warriors cultivating battle qi transforming the soul of war condensing battle force and rising above all worlds

Exploring the Mandatory Life Sentence for Murder Barry Mitchell, Julian V Roberts, 2012-10-19 Murder is often regarded as both the ultimate and a unique crime and whereas courts are normally given discretion in sentencing offenders for murder the sentence is mandatory indeterminate imprisonment Since the crime and the punishment come as a package deal this book looks at both the legal nature of the offence and at the current operation of the mandatory life sentence Not only does the book adopt a critical approach by assessing the strengths and weaknesses of the status quo it also draws upon comparative material from both common and civil law jurisdictions in an attempt to provide a comprehensive exploration of these issues The need for public confidence in the criminal justice system is particularly acute in the way it deals with the most serious homicides In this book the authors report findings from the first systematic exploration of public attitudes to sentencing murder in this or any other common law jurisdiction The picture of public opinion emerging from this recent large scale nationwide qualitative and quantitative survey funded by the Nuffield Foundation is likely to surprise many and will be of interest to all jurisdictions where the mandatory life sentence for murder has been questioned
