Off The Road An American Sketchbook:

Off the Road Elisha Cooper, 1996 In the summer of 1995 New York artist Elisha Cooper hit the road to capture America with his paint brush Fifteen thousand miles and 136 sketches later his cross country odyssey resulted in Off the Road a visual diary that captures the spirit of places as majestic as Yellowstone and as quaint as Alice North Dakota Beginning with the Manhattan skyline he heads north through the heart of New England loops back down through the deep south breezes past the arid Southwest hits the California coast and swings back through the Plains states on his way home to New York City It s a fifty day whirlwind tour that includes stop offs in Friendship Maine Intercourse Pennsylvania Moss Point Mississippi Enid Oklahoma Pilar New Mexico Hollywood Hills California Canby Oregon Moose Junction Wyoming Chicago Illinois and Muskegon Michigan A lovely gift with full color art throughout Off the Road is sure to delight readers with its whimsical yet perceptive look at America

Falling Elisha Cooper, 2017-06-13 Elisha Cooper spends his mornings creating children s books and his afternoons playing with his two daughters But when he discovers a lump in five year old Zo s midsection as she sits on his lap at a Chicago Cubs game everything changes Surgery sleepless nights months of treatment a drumbeat of worry Even as the family moves to New York and Zo starts kindergarten they must navigate a new normal school and soccer and hot chocolate at the local caf interrupted by visits to the hospital Elisha and his wife help their daughters maintain a sense of stability and joy in their family life And he tries to understand this new world how it changes art and language and laughter as he holds on to the protective love he feels for his child With the observant eye of an artist and a remarkable sense of humor Cooper captures this emotional journey back to health
