The Art and Life of Chaz Bojórquez Chaz Bojórquez, Marco Klefisch, Alberto Scabbia, 2009 Text by Francois Chastanet Greg Escalante Usugrow Compiled by Marco Klefisch Alberto Scabbia **Blood and Politics** Leonard Zeskind, 2009-05-12 More than fifteen years in the making Blood and Politics is the most comprehensive history to date of the white supremacist movement as it has evolved over the past three plus decades Leonard Zeskind draws heavily upon court documents racist publications and first person reports along with his own personal observations An internationally recognized expert on the subject who received a MacArthur Fellowship for his work Zeskind ties together seemingly disparate strands from neo Nazi skinheads to Holocaust deniers to Christian Identity churches to David Duke to the militia and beyond Among these elements two political strategies mainstreaming and vanguardism vie for dominance Mainstreamers believe that a majority of white Christians will eventually support their cause Vanguardists build small organizations made up of a highly dedicated cadre and plan a naked seizure of power Zeskind shows how these factions have evolved into a normative social movement that looks like a demographic slice of white America mostly blue collar and working middle class with lawyers and Ph D s among its leaders When the Cold War ended traditional conservatives helped birth a new white nationalism most evident now among anti immigrant organizations With the dawn of a new millennium they are fixated on predictions that white people will lose their majority status and become one minority among many The book concludes with a look to the future elucidating the growing threat these groups will pose to coming generations

Transfiguration Stephen Cheeke, 2016-09-08 Transfiguration explores the work of John Ruskin Robert Browning Dante Gabriel Rossetti and Walter Pater treating in particular the ways in which they engaged with the Christian content of their subject and in Pater's case how the art of Christianity was contrasted with classical sculpture Stephen Cheeke examines two related phenomena idolatry a false substitution a sexual betrayal and the poetics of transfiguration to elevate or glorify subject matter not thought of as conventionally poetic to praise Central to the book is the question of the translation of religion into art and aesthetics a process which supposedly undergirds the advent of the museum age and makes possible the idea of a religion of art as a phenomenon of late century Aestheticism Such a phenomenon is prepared for however through

the engagement with Christian painting and classical sculpture in the work of these four writers All four thought carefully about the ways in which a particular mimetic impulse of making live in artworks could be connected to religious experience This meant exploring the nature of the link between seeing and believing visualising in order to conceive to verify but also in the sense of being acted upon by the visible All four wrote about the great power of artworks to transfigure the objects of their attention In each case there emerges the possibility of a secret sexual knowledge hiding within or lying on the other side of the sensuous knowledge of aesthesis All four wondered whether this was inherently hostile to Christianity or whether it may finally be an accommodation within it Grieve More, Bodymore Ian Kirkpatrick,2023-10-31 Regret is the Beginning Horror is the Transformation Tragedy is the Offspring After seeing Wayland off to the afterlife Joey s left grieving over the reality that her father and best friend are gone She can t let it stop her though She s got a job to do for Charon her regular life to return to and the complications brought on by having Jag carry her heart She can t even focus on that when she discovers running from her problems doesn t actually get rid of them Stalked by the ghosts of her Baltimore Joey can t get away from her mistakes Meanwhile now that the badges can see her again she s got a couple of things to explain like jumping out the window at the station and why there was blood in her boyfriend s apartment Telling them ghosts are real isn t enough she has to prove it Ralph seems like a good option as the guy who makes deals with death but when she shows up at his bar he s missing too Time is running out on her credibility and with every second that passes she risks sinking Jag s life for holding onto him for so long the blood came off her hands and got all over him **New Statesman** ,2007
