One-Eyed Jacks and the Suicide King Anthony Donell Smith,2015-08-21 Stages of Literature The sorcerer dawned with skills of voodoo The tarot card depicts the sorcerer from the voodoo stage and he permeated into an image with its symbols of the English court The tragicomedy period old English dispelled the notion of the sorcerer being placed between us and our maker Of course even without the sorcery forces continued to defy logic Properties of voodoo through perspectives were at the helm Laws of force were soon accepted by the maturing world Although these forces have constructs that are not visible the effects were known to be very consistent Testing such laws proved reliable to cause and effect The age of reason brought wisdom through retrospect of how we react to the unknown and unexplained We simply make up what we do not know However we do so by taking the perspectives we are granted and reasoning out the realities that lie within With reality being created from our crooked and unaligned perspectives our realities pale in comparison to Gods truths The Romantic Period paired our realizations of reason and logic up against the phenomenon we call emotions Emotions won hands down Earlier chronicles of man demonstrate mystery but the mystics are to the nth power within emotions The day of the zodiac combines logics and emotions and is depicted by the symbols of civilization Each past civilization will leave signs of what they most feared and what they most needed adored The interrelation of humans is controlled by the celestial constellations aligning our compatibility to one another It barely scratches the surface of why we are magnetized to some while we are polarized from others Charms of Makings caused her end Makings of charm will set and begin

From life on The Hill and finding what she believed to be TRUE love to running for her life to the city of Minneapolis where she eventually encountered PURE love. She reminds us every step of the way to always put our trust in the word of God. Her vulnerability in her truth allows us to see that we are not alone out here. We don't have to condemn ourselves for following our hearts. But we must trust God through the choices we make. If we keep Him at the forefront, He will always bless us and always be there. Raynell desires all women to walk in their truth and understand their value. This peek into her life shows us all that just because things happen to you, they don't define who God has created you to be. And she has shown us in this story over and over we are all more than conquerors through Him that loved us. *The Neal Barrett Jr. Off-the-Wall Trilogy* Neal Barrett Jr., Three complete novels in one volume from a master of dark noir and comic mystery. **PINK VODKA BLUES** Russell Murray is the editor of a literary magazine in Chicago. He and Sherry Lou try to stay alive while being pursued around the country by homicidal goons, including the murderous Wacker twins and a blue-haired tennis shoe-wearing granny with an Uzi. Bones Pinelli wants his briefcase back by golly, and he doesn't care who dies as long as he gets it. **DEAD DOG BLUES** Nothing ever happens in Pharaoh, Texas. Drunks and missing auto parts headline the local crime wave until a barking dead dog shows up in millionaire Max Coomer's backyard. That's just the beginning of the mayhem that erupts in a sleepy Texas town and the start of temporary constable Jack Track's nightmarish pursuit of a maniac who doesn't like anyone in Pharaoh, Texas. There are enough bizarre characters in *Dead Dog Blues* to convince any reader to steer clear of small towns. There's George, the catfish mogul and cheery funeral director. Eddie Trost, plus an ever-growing cast of the local missing and dead.
