The Healing Heart—Families Allison M. Cox, David H. Albert, 2009-03-01 Stories and narratives aimed at helping families work through an array of subjects like health illness grief adoption sexual identity and school The Healing Heart provides powerful examples of the use of stories and storytelling in encouraging resiliency empathy respect and healing These engaging books contain stories and narratives about the use of the stories in activities with different populations children teens those with disabilities seniors inmates etc or which address specific social or community problems addictions poverty violence racism environmental degradation homelessness abuse The books are a collective effort containing the expertise of more than 60 storytellers and health professionals who illustrate the power of story in moving others to commitment and action in building self esteem and mutual respect The Healing Heart Families focuses on families dealing specifically with healing through story health promotion disease prevention early childhood intervention children with medical problems adopting families schools sexual identities grief and spiritual healing The Healing Heart Communities focuses on community building with sections on youth violence prevention poverty domestic violence substance abuse and addiction racism elders culture environmental protection homelessness and community development Praise for The Healing Heart Families Both children and adults sick or well need the embrace of soulful storytelling They need to witness and be witnessed for it is in this state that healing occurs If newscasters were to read aloud each night to their listeners for 1 001 nights one of the stories from this treasury we would all be healed and lose our fear recapturing real security in our homeland N Michael Murphy MD author of The Wisdom of Dying An extraordinary work Hit the bulls eye by providing both process and practice Thought provoking and insightful theory is intertwined with appropriate stories for direct application It makes clear that story can be a powerful catalyst for change giving eloquent voice to what many of us have known for some time but have been unable to express What a gift for those who work with families Elizabeth Ellis co author of Inviting the Wolf In Thinking about Difficult Stories

The Healing Heart for Communities Allison Cox, David Albert, 2009-03-01 The only book of its kind that demonstrates the power of storytelling to heal [HAUSA FOLK LORE - West African folklore, tales and legends](#) Various, 2009-08 When R Sutherland Rattray joined the School of Anthropology at Exeter College Oxford he had already published Chinyanja Folklore which documented the tales and customs of the Chinyanja of Central Africa He was also quite familiar with several West African languages Therefore on his transfer to West Africa learning about the Hausa language and culture became another string in his already full bow and it was only a matter of time before Hausa Folklore was published However understanding the Hausa culture requires an understanding of Islam itself a task that can seem near insurmountable when the student is from a Western back ground Hausa Folklore does not claim to stand alone a considerable library of Hausa literature already exists Hausa Folklore is an enrichment of this proud tradition which brings the Western world directly into contact with Hausa culture This volume tells of the origin of the spider of beautiful maidens

of how hartebeest came by the teardrops under their eyes of witches of doctors riding hyenas on pilgrimages of the cause of thunder and more Some of these tales are more fairy than legend and others more folk than fairy Each story imparts a clear message about right and wrong while showing what colour and variety lies hidden in the monotone of the Sahara A percentage of the profit from the sale of this book will go towards organisations which offer educational scholarships in Africa So curl up with these unique West African stories from yesteryear with the knowledge that you have helped sponsor the education of an underprivileged African youth **The Greenwood Library of World Folktales** Thomas A.

Green,2008-02-28 From the Amazon to the Arctic the world is teeming with diverse cultures There s no better way for students to explore the world s cultural diversity than through its folktales Presenting tales from the foundations of the world s traditions literature daily life and popular culture The Greenwood Library of World Folktales Stories from the Great Collections gathers together a vast array of folktales and arranges them according to region or cultural group thus allowing students to quickly and conveniently learn about the tales of particular cultures Some of these stories have been told for centuries while others have emerged only in recent times The four volume set includes introductory essays in addition to explanatory headnotes and provides bibliographies on particular regions as well as a selected general bibliography The most comprehensive work of its kind this set gives students and general readers a guided tour of the world s folktales Each volume of the set is devoted to a particular broad geographic region Volume 1 Africa The Middle East Australia and Oceania Volume 2 Asia Volume 3 Europe Volume 4 North and South America Accessible informative and entertaining this book will help literature students learn how to analyze texts and understand the traditions at the heart of many of the world s literary masterpieces It will also help social studies students learn about the world s cultures and respect ethnic diversity [African Dilemma Tales \(bascom\)](#) Wa William Russell Bascom,1975 No detailed description available for African Dilemma Tales

A Tournament of Murders (Canterbury Tales Mysteries, Book 3) Paul Doherty, 2012-11-27 Fact and fiction start to entwine Paul Doherty relates the Franklin's tale in A Tournament of Murders a tale of mystery and murder as he goes on pilgrimage from London to Canterbury Perfect for fans of Ellis Peters and Susanna Gregory Chaucer's pilgrims are sheltering in a friary as they slowly wind their way towards Canterbury As they settle for the night away from the darkness outside and the shadowy figures that haunt the lanes and byways of medieval England the Franklin narrates a mysterious bloody tale a true story he suggests which not only affects his own life but the lives of some of his fellow pilgrims In 1356 the Black Prince has won his resounding victory at Poitiers However in that bloody fight the impoverished knight Gilbert Savage received his death wound As Gilbert lies dying in a ditch he tells his squire Richard Greenele that the story of his parents perishing during the plague is untrue Richard if he wishes to uncover what really happened must travel to Colchester and seek out the lawyer Hugo Coticol who holds a sealed letter telling the truth of Richard's parentage and the dreadful secrets surrounding his father's disgraceful death This document contains a most macabre confession and Richard finds himself a small step closer to discovering the truth and compelled to avenge his father's name What readers are saying about Canterbury Tales Mysteries A Tournament of Murders kept me guessing until the end You can almost feel yourself there Spellbinding *DARK HONOR VOLUME 2* Zahier Adams, 2021-05-23 He's tall and slender always wearing a suit his eyes have pure darkness in them Stare at me and I will get you to tell me what you desire the words spoken in a deep soft tone that can make the hair at the back of your neck stand up All his life he has been trying to make people believe that darkness and evil are all a myth That way he lures them to his dungeon and Grins at their pain and blood splattering all over the floor as the rats feast on the remains of the dead bodies His dark eyes do not only mislead you into trusting him but also make you feel like it's the safest place to be Lucifer Morningstar has served many years in prison his reputation is well known into bringing fear into others just by the whisper of his name He walks across the dungeon as his slaves plead for death than to live the fear of anticipation of the unknown Lucifer turned his son into a demon Joshua is different though he is fast and smart and only kills when necessary until one day his dad Underestimate his capabilities and finds out his son is more dangerous than he anticipated Joshua has a sister who has a secret of her own the only person who knew her secret is buried six feet under Lucifer's enemies never live long enough to tell the tale and being the most feared and cruel person on earth makes his family a constant target Until one day he loses two precious people In his life even though he has been warned of the consequences to his his actions will lead to death of the two dear loved ones in his life This has angered him in such way that he see humanity as repelling The Shadows the tales the story you have heard is all true the bedtime stories that was read to him as a child was not just a story It was a sign to prepare him for the future Wherever Joshua went he always felt a strong presence around him Getting older he started to understand the evil his surrounded by and the evil that really exist The blood of a demon weakens you especially when you have it running in through your veins It infuriates you with anger and strength The more you fight it the

weaker you become only the blood of a angel can save you Thread carefully look back those shadows aren t ordinary shadows it s your enemies within you Joshua s consistency of his drug habit makes him weaker until Tiffany starts showing who she is Take this journey and embrace it by living it to the fullest Death is pleasant when you an enemy of the Devil himself Families have destroyed as well as the most powerful men in the world he will not only rule you but also ruin your world Your Perfect life was not so perfect after all especially if LUCIFER MORNINGSTAR comes knocking at your door *All the Year Round* ,1874 [The Foundlings; a Tale of Mystery](#) Foundlings,1865 *All the Year Round* Charles Dickens,1874 **Western Teacher** ,1902 **The Pacha of Many Tales. A New Edition** Frederick Marryat,1856 *One Thousand One Papua New Guinean Nights: Tales from 1986-1997, indices, glossary, references and maps* Thomas H. Slone,2001 A two volume collection of folktales that were published in Papua New Guinea s Wantok newspaper The two volume collection presents the complete set of 1047 folktales that were originally published from 1972 through 1997 in Tok Pisin **An Absence of Faith: A Tale of Afghanistan** Craig Trebilcock,2024-05-05 Inspired by real world events AN ABSENCE OF FAITH A Tale of Afghanistan is a novel of the collapse of Afghanistan seen through the eyes of two protagonists Daniyal an Afghan army private and Colonel Trevanathan a U S Army officer assigned the Sisyphean task of ending Afghan government corruption Daniyal is a university student in Kabul who is forced into the Afghan army by a military press gang He is starved beaten and watches his friends die from incompetent leadership When he is made the Headquarters clerk for the heartless Command Sergeant Major Mahmood he learns his army s leaders are getting rich from selling their soldiers food and medical supplies Daniyal is torn between the privilege and safety his headquarters job provides versus his complicity in the widespread corruption The second parallel story is the arrival in Kabul of U S Army Colonel William Trevanathan who is to be the Counter Corruption Director for the NATO command in Afghanistan It is November 2015 Trevanathan learns that multiple NATO countries plan to pull out of the war from their frustration with Afghan embezzlement of NATO military aid The domino effect of departing Western allies will likely lose the war against the Taliban as the Afghan military is incapable of fighting on its own Trevanathan s job is to prevent that NATO pullout by ensuring the corrupt Afghan government players are prosecuted despite no Afghan politician or senior military commander having been charged in the past fifteen years The challenge is great enough before Colonel Trevanathan learns his efforts are being undermined by The U S Embassy Both Daniyal and Trevanathan embark on a Kafka esque adventure across the breadth of Afghanistan to save the Afghan people and themselves as they fight to cling to their humanity and beliefs in a war where allies are enemies and yes almost always means no For anyone who has ever wanted clarity why the U S was unable to defeat the Taliban despite spending 2 trillion investing twenty years into building the Afghan National Army and suffering tens of thousands of U S casualties this is the book you ve been waiting for
