Revisited Victor Principe, 2008 Bellport Village with its beautiful historic homes and sweeping views of the Great South Bay has remained a thriving community through the years, retaining its strong sense of place. The Bellport streetscape is alive with diverse architecture that has enriched the lives of its residents and visitors for generations. One knows immediately when one is in the Bellport area. It is a place apart where the monotony of contemporary suburbia gives way to the charming eccentricities of history. Through a wealth of historic images, most never published before, from several private collections and from the extensive archives of the Bellport Brookhaven Historical Society Museum, *Bellport Revisited* chronicles the history of a village that has resisted development and remained a charming and unique place. **Directory of Organization and**

Telling America's Story to the World Harilaos Stecopoulos, Harry Stecopoulos, 2023 Telling America's Story to the World is the first study to demonstrate the important role that US cultural diplomacy played in the making of postwar US literature. It does so by discussing how the work of Ralph Ellison, Robert Frost, William Faulkner, Langston Hughes and Maxine Hong Kingston was used to demonstrate American cultural identity. The rich and rolling farmland first attracted settlers to the area and it continues to draw people to the town today. With Main Street as the center of their community, pride, the citizens of Reedsburg shared their excitement, news and sometimes their tragedies with family and
