Off Your Rocker Robert W. Swedberg, Harriett Swedberg, 1976 The art of repairing and refinishing antique furniture With special sections on oak furniture and caning chairs **America's top 30 Idioms and their Origins** Fred Engh, Todd Van Linda, 2022-07-15 If you're looking for a book to knock your socks off Let me bounce something off you I heard it through the grapevine that there are over 25 000 idioms in the English language That's straight from the horse's mouth Now don't get up in arms or beside yourself as I spill the beans on the top 30 ones that will make you think something is fishy about this book Take it with a grain of salt and don't think I'm off my rocker when I suggest that you use this book for your tank top no not table top Roger Ebert's Movie Yearbook 2003 Roger Ebert, 2002-12-02 Every single new Ebert review *E.S.P.* D Anne Liebroder, Lawrence A. Liebroder B A, 2012-01-11 **A Psalm for Cock Robin** E.E. "Doc" Murdock, 2013-02-27 A Psalm for Cock Robin is the most innovative murder mystery you will ever read It features a gentle young man named Harp who lives under the Santa Monica pier after he was accidentally released from a mental hospital When he wakes up one morning to find another homeless man lying dead right next to him he runs away but soon becomes the main suspect in the murder Harp must find the killer before the police find him Sound like a familiar murder mystery plot Not really Harp is clearly not much of a detective but his caustic sarcastic Bible quoting mother is The only problem is she's dead But when Harp gets into trouble she comes into his head to guide him and harass him as he searches among a wild assortment of Venice Beach crazies for clues about who the murderer might be She becomes a sort of second protagonist always there in Harp's head to keep him on the straight and narrow often by quoting the grimmest of Grimm's fairy tales the only thing she let Harp read when he was a child As weird as this book may sound it's actually very funny You'll find yourself laughing out loud whether you want to or not It's a classic murder mystery with a postmodern twist one you'll never forget *"My Personal Angel"* Debra Childers, 2012-12-29 Most people believe in angels others are skeptical and then there are those that simply think it's hog wash Angels are real and do exist The purpose of this book is to encourage our children to believe in angels and to know that God has assigned angels to watch over us I want to express to the reader that sometimes we are afraid of certain things but to know that God has special angels He sends to give us peace and comfort These angels give us strength to be bold and courageous they help and protect us even when we are afraid they are always watching
