invented them *The Federal League of Base Ball Clubs* Robert Peyton Wiggins,2008-09-30 The last independent major league ended its brief run in 1915 after only two seasons at the national pastime s top level But no competitor to establishment baseball ever exerted so much influence on its rival with some of the most recognizable elements of the game today including the commissioner system competition for free agents baseball s antitrust exemption and even the beloved Wrigley Field traceable to the so called outlaw organization known as the Federal League of Base Ball Clubs This comprehensive history covers the league from its formation in 1913 through its buyout dissolution and legal battles with the National and American leagues The day to day operation of the franchises the pennant races and outstanding players the two year competitive battle for fans and players and the short and long term impact on the game are covered in detail **Sweet**

'60 Bill Nowlin,Clifton Blue Parker,2013-04 Sweet 60 The 1960 Pittsburgh Pirates is the joint product of 44 authors and editors from the Society for American Baseball Research SABR who have pooled their efforts to create a portrait of the 1960 team which pulled off one of the biggest upsets of the last 60 years Game Seven of the 1960 World Series between the Pirates and the Yankees swung back and forth Heading into the bottom of the eighth inning at Forbes Field the Yankees had outscored the Pirates 53 21 and held a 7 4 lead in the deciding game The Pirates hadn t won a World Championship since 1925 while the Yanks had won 17 of them in the same stretch of time seven of the preceding 11 years The Pirates scored five times in the bottom of the eighth and took the lead only to cough it up in the top of the ninth The game was tied 9 9 in the bottom of the ninth At 3 36 Bill Mazeroski swung at Ralph Terry s slider As Curt Smith writes in these pages There goes a long drive hit deep to left field said Gunner Going back is Yogi Berra Going back You can kiss it good bye No smooch was ever lovelier How did we do it Possum How did we do it Prince said finally din all around Woods didn t know only that I m looking at the wildest thing since I was on Hollywood Boulevard the night World War II ended David had toppled Goliath It was a blow that awakened a generation one that millions of people saw on television one of TV s first iconic World Series moments Stars at War Marvin D. Pipher,2022-11-30 This book outlines the lives and achievements of one hundred entertainers and athletes mostly Americans who served their nations well both in times of war and in times of peace It spans the period from the Spanish American War 1898 up to 2020 but concentrates most heavily on World War II The book was initiated in response to an apparent difference noted between the reactions of entertainers and athletes to the events of September 11 2001 and those following the attack on Pearl Harbor on December 7 1941 It began as an effort to understand who those earlier people were what they did and why to identify the one hundred who did the most during World War II and to rank them in accordance with their achievements This proved to be an impossible task since there was no way to identify the one hundred and there was no common basis for comparison some were truly heroic some were wounded and some killed while others simply served to the best of their abilities The best that could be done was to categorize the men and women selected and subjectively rank them with their peers Over time this effort expanded to be more inclusive touching lightly

upon the Spanish American War World War I the Korean War Vietnam the war on terror and upon more recent events Some of those presented herein served before becoming famous some after some volunteered and some were drafted while others served as civilians in their chosen fields Two became presidents of the United States Three won the Congressional Medal of Honor Aside from their service however these were truly remarkable men and women whose stories deserve to be told if for no other reason than to give us a glimpse into the kinds of people who made the United States the greatest nation in the history of the world
