Committee on Resources of American Libraries. National Union Catalog Subcommittee,1970 **The Official Pictures of a Century of Progress Exposition Chicago 1933** ,1933 Conceiving Parenthood Amy Laura Hall,2008 The book is replete with photos and advertisements from popular magazines from the 1930s through the 1950s Jacket **The Official Pictures of a Century of Progress Exposition, Chicago, 1933-1934** ,1934 **OFF SHORE** Birgit Braasch,Claudia Mueller,2020-01-01 The book highlights facets of people s experiences since the 19th century with Atlantic space and the design of their stay on board ships The contributions range from the perspective of pleasure seeking tourists who used ships as a temporary luxurious homes to the perspective of military personnel who perceived the Atlantic Passage as a transition between homeland security and potentially dangerous professional operations the risks of sea voyages even on technically sophisticated ocean liners whose interiors and services often include grand hotels in the metropolises of the late 19th and 20th century were discreetly ignored by the passengers The charm of the Atlantic and the ship unthinkable in earlier times should not be decimated in any way **After the Shock City** Tom Hulme,2019 A comparative and trans national study of urban culture in Britain and the United States from the late nineteenth to the twentieth century Using the industrial cities of Manchester and Chicago as case studies this book traces the idea of citizenship across different areas of local life in the first half of the twentieth century from philosophy and festivals to historical re enactment and public housing Coalitions of voluntary associations municipal government and local elites lambasted modern urban culture as the cause of social disintegration But rather than simply decanting the population to new and smaller settlements they tried to re imagine a reformed city as a place that could foster loyal and healthy communities Celebrating civic progress in the period since the shock city of the nineteenth century they sought to create a sense of local pride that could bracket growing class and racial tensions The diverse individuals groups and communities of the city reacted in different ways to this message Some were happy to gather under the identity of one civic banner Others held back by discriminatory structures of society chose to

shape their own idea of citizenship one that looked far beyond the city for a sense of belonging and rights Historians have tended to emphasise the rise of national identity state centralisation and popular patriotism at the expense of distinctive local identities municipal autonomy and expressions of civic pride This book aims to redress the imbalance demonstrating how local ideas of belonging could still exert a powerful hold on the making of modern citizenship TOM HULME is a lecturer in the School of History Anthropology Philosophy and Politics Queen s University Belfast *The Old Guard and the Avant-Garde* Sue Ann Prince,1990 *The Old Guard and the Avant Garde* Modernism in Chicago 1910 1940 brings together the history and the critical reaction to the new developments in art and design places them in the context of conservative yet innovative Chicago at the turn of the century and explores the tensions between tradition and innovation The individual essays present the best in specialized current research yet one can clearly understand the impact of modernism on the broader intellectual and cultural life of the city I eagerly await as cohesive and thorough an analysis of the subject for New York David Sokol University of Chicago This is fresh and fascinating research about the ups and downs of modernism in Chicago a city where art students reportedly once hung Matisse in effigy Regional studies like this one broaden our understanding of how the art world has worked outside of New York and gives depth to a story we know too narrowly Applause all the way around Wanda M Corn Stanford University **A Century of Progress Exposition, Chicago, Official Pictures in Color**,1934 **Catalog of Copyright Entries.
