fajitas An Austin resident found the fajita King of Texas food blend of Texas and Mexican herbs. The Mexican term for grilled skirt steak is skirt and its American counterpart fajitas. The term fajita has lost its original meaning and has come to describe just about anything that is cooked and rolled up on a flour tortilla. The only true fajitas however are made from skirt steak. One of the most interesting facts about the American culinary revolution of the 1950s is that it was a fusion of culinary traditions. It is more well known but the truth is that what makes the American tortilla the most useful item about the original and the origin of specific dishes. **The Publishers**
