New York Cookbook Molly O'Neill, 1992-01-01 More than five hundred recipes celebrate the passion for food with New York specialties ranging from Codfish Puffs to Braised Lamb Shanks to Kreplach [Jane Brody's Good Seafood Book](#) Jane E. Brody, Richard Flaste, 1994 Provides information on how to select clean fillet and store fish with basic seafood cooking techniques Includes 240 low fat recipes [South Street](#) Barbara Mensch, 2009-11-26 South Street is Barbara G Mensch's evocative tribute to the lost world of Lower Manhattan's Fulton Fish Market For more than a century a colorful tightly knit community of fishmongers many of them recent immigrants and children of immigrants thrived under the base of the Brooklyn Bridge Resistant to government regulations and corporate encroachment these men lived in a closed internally policed world that was deeply hostile to outsiders As a young photographer in the early 1980s Mensch bonded with this particular group of authentic New Yorkers becoming a confidante for their life stories which were often filled with hardship mystery and misadventures These striking photographs capture the unique personality and fierce secrecy of their vibrant working class culture Combined with lively commentary reminiscent of Studs Terkel's riveting oral histories the images offer a rare peek inside a society described by Philip Lopate as a precious last vestige of historic Gotham Mensch's story ends with

the closure of the docks and the opening of the Seaport mall a symbolic victory of corporate interests over more than a century of mob rule Her visual essay recounts the driving forces and the effects of this urban transformation on the entrenched community of fishmongers creating an enduring historical document Though the Fulton Fish Market no longer resides below the Brooklyn Bridge the history and energy of this cherished New York City landmark are beautifully preserved in this book
