Freudian Passions Jan Campbell, 2018-05-08 Freud's thinking about the unconscious has always been seen to be more about representations than affects. When it came to the passions of the transference and the demands of his hysterical patients, Freud was always more interested. He wanted to move the focus away from the transference and onto dreams. Hidden wishes more than manifest ones were what captured his imagination and style. This book returns to the repressed theory of passions in Freud's own thinking, arguing that the repression, fixation, and rhythmic movement of affects make up the roots and branches of psychoanalytic thinking. We can think of Freud's unconscious affects as a tree with the most passionate and primitive affects that make up the core of our psychic life, moving and branching out into more elaborated emotions and representations. So what moves this tree, the house of our first passions? How we move the tree of our affects or leave it is integral to Freud's understanding of sexuality and the Oedipal Complex.

As Good as It Gets Stephen M. Clark, 2010-12-14 Of all the famous books ever written, *The Song of Songs* has been designated as the finest ever produced or ever to be read on the subject of finding love, developing relationships, and experiencing life. Its title, *The Song of Songs*, is a superlative, an almost exaggerated expression of praise which insists that this book is the best of the best. Designed to be read over fifty days, *As Good as It Gets* takes the reader through this greatest of love songs, delighting in its beauty and exploring its passion while discovering its insights into aspects of love and life such as praise, intimacy, affirmation, identity, insecurity, community, friendship, transformation, disruption, resolution, restlessness, rapture, confidence, dignity, disclosure, and freedom. In the end, the reader will discover much more than a manual on relationships or even what it takes to live a passionate and purposeful life. While remaining entirely honest about the realities of life, love, and relationships, *The Song* retains the remarkable ability to bring us into a life that is filled with joy and grace, beauty and poetry.

Passion Before Me, My Fate Behind Th. Emil Homerin, 2011-12-01 Umar Ibn al-Farabi (1125-1195), author of two classic works, *The Wine Ode* and *The Poem of the Sufi Way*, is considered the greatest Sufi poet to write in Arabic. In this study, these and other poems by Ibn al-Farabi are considered within the context of Islamic mysticism, Arabic literature, and Sufi poetry. Th. Emil Homerin uncovers the literary and religious intent of these poems and their aesthetic and mystical content, showing them to be a type of meditative poetry. Indeed, Ibn al-Farabi often alludes to the Sufi practice of recollection or meditation on God to evoke a view of existence in which the seeker may be transformed by an epiphany of love, revealing an intimate relationship to the divine beloved. Homerin provides elegant translations and close readings of Ibn al-Farabi's poetry, highlighting the beauty of his verse, its moods, meanings, and significance within Islamic mysticism and Arabic poetry, where Ibn al-Farabi is still known as the Sultan of the Lovers.
