Pastoral Care And The Means Of Grace:

Pastoral Care and the Means of Grace Ralph L. Underwood, 1992-10-01 The emphasis on pastoral freedom is nearly spent and found wanting Many caregivers today are seeking to balance such freedom with a sense of God's transcendence and communal order which entail personal and ritual formation In Underwood's resulting spirituality the soul of pastoral care is prayer The substance is Scripture studied in both liturgical and personal settings The evangelical principle is reconciliation Baptism lays the foundation for pastoral care by providing the paradigm for all transformations Eucharist constitutes the eschatological horizon for pastoral care as ministry in the human encounter of God's presence This winsomely written book stands at the forefront of a broad movement among scholars and clergy in nonliturgical traditions that aims at retrieving explicitly religious resources the means of grace The result is a rare truly ecumenical contribution to pastoral care which deepens practice by providing a vision and a spirituality

Preaching Prophetic Care Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice With contributions from Donna Allen L Susan Bond Teresa Fry Brown Gennifer Brooks Teresa Eisenlohr Anna Carter Florence Kenyatta Gilbert R Mark Giuliano David Schnasa Jacobsen John McClure Mary Elizabeth Moore Mary Alice Mulligan Debra Mumford Peter Paris Luke Powery Shelly Rambo Lee Ramsey Robert London Smith Amy Steele Frank A Thomas Lisa Thompson Scott Williamson Sunggu Yang Ted A Smith William B McClain
