

A Personal, Political and
Religious Portrait

A photograph of Pat Robertson, a man with grey hair, wearing a dark suit, white shirt, and patterned tie. He is smiling and waving his right hand. The background is dark and out of focus, with a hint of an American flag.

Pat Robertson A Personal Religious And Political Portrait

Fritz Detwiler

Pat Robertson A Personal Religious And Political Portrait:

Pat Robertson David Edwin Harrell (Jr.),1987 *Pat Robertson* David John Marley,2007 A portrait of the 700 Club host and co founder of the Christian Coalition considers his role as a reviled figure in the secular world and a formidable role model among Christian fundamentalists in a profile that lauds his achievements while questioning some of his decisions

One Nation Under God? John D. Wilsey,2011-06-01 Is America a Christian nation This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century More recently the Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum This book contributes to the conversation by critiquing from an evangelical perspective the idea that America is a Christian nation as articulated by specific writers over the past three decades Wilsey asserts that the United States was not conceived as a Christian nation but as a nation with religious liberty Herein lies the genius of the Founders and the uniqueness of America **American**

Religion: Religion in the new nation David Turley,1998 This set offers a wide range of primary source material spanning several centuries of religious experience in the United States The material is grouped thematically and chronologically with a critical apparatus which includes a substantial introductory essay giving an overview of the subject a chronology and bibliographies *American Religion: Literary Sources and Documents* David Turley,2020-12-17 This set offers a wide range

of primary source material spanning several centuries of religious experience in the United States The material is grouped thematically and chronologically with a critical apparatus which includes a substantial introductory essay giving an overview of the subject a chronology and bibliographies *Protestantism in America* Randall Balmer,2005-11-18 As America has become more pluralistic Protestantism with its long roots in American history and culture has hardly remained static This finely crafted portrait of a remarkably complex group of Christian denominations describes Protestantism s history constituent subgroups and their activities and the way in which its dialectic with American culture has shaped such facets of the wider society as healthcare welfare labor relations gender roles and political discourse Part I provides an introduction to the religion s essential beliefs a brief history and a taxonomy of its primary American varieties Part II shows the diversity of the tradition with vivid accounts of life and worship in a variety of mainline and evangelical churches Part III explores the vexed relationship Protestantism maintains with critical social issues including homosexuality feminism and social justice The appendices include biographical sketches of notable Protestant leaders a chronology a glossary and an annotated list of resources for further study **Standing on the Premises of God** Fritz Detwiler,1999-12 The Christian Right is arguably

the most significant social movement in the United States today In recent years these religious conservatives have loudly protested a public education system they believe no longer represents their interests or values Educators often dismiss critiques based on religious values as irrational or flimsy failing to appreciate the coherence of these criticisms from the Christian Right s own perspective While the Christian Right has become ever more sophisticated in its lobbying and powerful

in its influence educators and parents find themselves lacking the background knowledge necessary to respond effectively to its efforts Standing on the Premises of God speaks directly to this dilemma explaining current incarnations of the Christian Right its leadership its intellectual and theological foundations and its tactics so that those interested in the debates over education will be better prepared to engage them constructively Taking the novel approach of framing the Christian Right as a revitalization movement Detwiler shows how it seeks to effect cultural transformation in order to bring public education and our society more generally in line with its worldview His theoretical model provides insights into why education is so pivotal to the Christian Right and also assesses the religious viability of the Christian Right as a social movement

Apocalyptic Fever Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more When Time Shall Be No More Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture **Culture Wars** Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

Modern Christian Revivals Randall Herbert Balmer, 1993 Beginning with the Great Awakening in the American colonies and continuing through contemporary Latin America where revolution and revivalism have been central to sociopolitical change Modern Christian Revivals demonstrates the enduring relevance of Christian revivalism Half of the contributors focus on the United States from Puritan New England through the Old South to Billy Graham and Pat Robertson

the others discuss revivalism in England Norway China and Canada chronicling influential as well as less frequently studied movements This volume explores long held assumptions about revivalism and illustrates its central role in the Christian tradition

American Denominational History Keith Harper, 2008-09-24 This book brings the rigor of scholarly assessment of the current literature to various important topics and groups in American religious history The contributors carefully examine the fruitful historiographic questions that are posed by the positions and experiences of the various groups American Denominational History points the way for the next decade of scholarly effort

Shaking the World for Jesus Heather Hendershot, 2010-03-15 In 1999 the Reverend Jerry Falwell outed Tinky Winky the purple character from TV's Teletubbies Events such as this reinforced in many quarters the common idea that evangelicals are reactionary out of touch and just plain paranoid But reducing evangelicals to such caricatures does not help us understand their true spiritual and political agendas and the means they use to advance them Shaking the World for Jesus moves beyond sensationalism to consider how the evangelical movement has effectively targeted Americans as both converts and consumers since the 1970s Thousands of products promoting the Christian faith are sold to millions of consumers each year through the Web mail order catalogs and even national chains such as Kmart and Wal Mart Heather Hendershot explores in this book the vast industry of film video magazines and kitsch that evangelicals use to spread their message Focusing on the center of conservative evangelical culture the white middle class Americans who can afford to buy Christian lifestyle products she examines the industrial history of evangelist media the curious subtleties of the products themselves and their success in the religious and secular marketplace To garner a wider audience Hendershot argues evangelicals have had to carefully temper their message But in so doing they have painted themselves into a corner In the postwar years evangelical media wore the message of salvation on its sleeve but as the evangelical media industry has grown many of its most popular products have been those with heavily diluted Christian messages In the eyes of many followers the evangelicals who purvey such products are sellouts hucksters more interested in making money than spreading the word of God Working to understand evangelicalism rather than pass judgment on it Shaking the World for Jesus offers a penetrating glimpse into a thriving religious phenomenon

Autobiographical Reflections on Southern Religious History John B. Boles, 2001 Invoking the strong ties they sense between the courses of their lives and their careers the sixteen historians of religion who have contributed to *Autobiographical Reflections on Southern Religious History* share their thoughts and motivations In these highly personal essays both pioneering and promising young scholars discuss their work and interests as they recall how the circumstances of their upbringing and education steered them toward religious history They tell of their own time and place and of their growing awareness of how religion ties into larger social issues gender class and most notably race Indeed one essay begins I was asked to write about why I came to study religion in the South It was then I realized that it was because my grandfather had been lynched Lutheran Jewish Catholic Methodist and Episcopal viewpoints are represented as of course are Baptist

Some contributors have stood in the pulpit others at least commenced their higher education with that aim While some contributors were born and reared and now work in the Bible Belt others are outsiders physically philosophically or both Some came from intellectual traditions others were the first in their family to attend college Despite their common interest in its history southern religion is anything but an intellectual abstraction for the contributors to this book It is a potent force and here sixteen men and women offer themselves as proof of its power to shape lives Pious Pro-family Rhetoric Jay Newman,2007 This wide ranging interdisciplinary study examines the contemporary media debate between traditionalists and progressivists over religion the family and culture Consideration of this persistent and often fierce debate reveals much about the state of religion in Western democracies varieties of religious commitment strategies of religious and cultural competition religious uses of politics and political uses of religion images of religion in the media and images of the media in religion the conditions of a sustainable pluralism ideals of tradition and progress and the relations of religion and the family

Religion and Politics in the Contemporary United States R. Marie Griffith,Melani McAlister,2008-06-09 This collection of essays from a special issue of American Quarterly explores the complex and sometimes contradictory ways that religion matters in contemporary public life Religion and Politics in the Contemporary United States offers a groundbreaking cross disciplinary conversation between scholars in American studies and religious studies The contributors explore numerous modes through which religious faith has mobilized political action They utilize a variety of definitions of politics ranging from lobbying by religious leaders to the political impact of popular culture Their work includes the political activities of a very diverse group of religious believers Christians Jews Muslims Hindus Buddhists and others In addition the book explores the meanings of religion for people who might contest the term those who are spiritual but not religious for example as well as activists who engage symbols of faith and community but who may not necessarily consider themselves members of a specific religion Several essays also examine the meanings of secular identity humanist politics and the complex evocations of civil religion in American life No other book on religion and politics includes anything like the diversity of religions ethnicities and topics that this one does from Mormon political mobilization to attempts at Americanizing Muslims in the post 9 11 United States from C sar Ch vez to James Dobson from interreligious cooperation and conflict over Darfur to the global politics surrounding the category of Hindus and South Asians in the United States *Economic Injustice and the Rhetoric of the American Dream* Luke Winslow,2017-07-24 Our economic arrangements require a persuasive story that can explain who is rich who is poor and why This story shapes our attitudes toward what is just and unjust this story dispenses power to some and withholds it from others and the deeply political and paradoxical nature of this story presents a valuable site of rhetorical inquiry Economic Injustice and the Rhetoric of the American Dream fills an important scholarly gap by connecting the need to make sense of economic arrangements with the rhetoric of the American Dream Luke Winslow examines how the rhetoric of the American Dream has emerged as a dominant cultural touchstone in

oscillation with a widespread shift to individualistic explanations for economic arrangements the arrival of neoliberalism growing levels on inequality and dismal rates of economic mobility By developing the tools of rhetorical and ideological criticism this book explores the American Dream in relation to religious economic educational and political institutions ranging from Prosperity Theology to the candidacy and election of Donald Trump Recommended for scholars in Communication Economics Political Science and Religious Studies Writing the Rapture Crawford Gribben, 2009-02-02 Here Crawford Gribben offers a history description and analysis of the rapture novel genre The late 1980s culminated in the creation of the Left Behind series The novels in this series Gribben shows are derivative borrowing entire characters and significant incidents from earlier books Preview 2001+ Ray Broadus Browne, Marshall William Fishwick, 1995 A collection of essays on new directions and future trends in popular culture studies with sections on parameters and dynamics of popular culture studies leisure and recreation sense of community marketing cultures and extension or circularity Topics include the role of the university as an institution of popular culture religious fervor developing the place and role of community in society and marketing the apocalypse No index Paper edition unseen 15 95 Annotation copyright by Book News Inc Portland OR

Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen, 2011 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter's faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter's struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day

Right here, we have countless book **Pat Robertson A Personal Religious And Political Portrait** and collections to check out. We additionally have enough money variant types and as well as type of the books to browse. The customary book, fiction, history, novel, scientific research, as without difficulty as various other sorts of books are readily friendly here.

Pat Robertson A Personal Religious And Political Portrait Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Pat Robertson A Personal Religious And Political Portrait free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Pat Robertson A Personal Religious And Political Portrait free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Pat Robertson A Personal Religious And Political Portrait free PDF files is convenient, its important to note that copyright laws

must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Pat Robertson A Personal Religious And Political Portrait. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Pat Robertson A Personal Religious And Political Portrait any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Pat Robertson A Personal Religious And Political Portrait Books

What is a Pat Robertson A Personal Religious And Political Portrait PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Pat Robertson A Personal Religious And Political Portrait PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Pat Robertson A Personal Religious And Political Portrait PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Pat Robertson A Personal Religious And Political Portrait PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Pat Robertson A Personal Religious And Political Portrait PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss.

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
