Rempel, 2001 The Gospel Places Peacemaking at the center of Christian identity Over the centuries however churches have divided over the role and place of the peacemaking imperative in their lives and teachings This volume offers deep ecumenical discussion of the relationship of the church to its peacemaking mission from the standpoints of history and the contemporary context Contributors representing ten major faith traditions Lois Y Barrett Alexander Brunett Murray W Dempster Donald F Durnbaugh John H Erickson Eric W Gritsch Jeffrey Gros Paul Meyendorff Lauree Hersch Meyer Thomas H Olbricht Thomas D Paxson Jr James F Puglisi John D Rempel Alan P F Sell and Glen H Stassen address this crucial topic from the perspective of their own churches and explore paths that could lead to the reconciliation of existing differences

Peacemaking and the Community of Faith John A Donaghy, 1983-01-01 *The Peacemaking Pastor* Alfred J. Poirier, 2006-08-01 Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation says pastor and experienced mediator Alfred Poirier The result is pastors trained in biblical exposition well ordered worship and good theology but with little practical know how about one of the most important functions they will be expected to perform conflict resolution The Peacemaking Pastor provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation Poirier chairman of the board of Peacemaker Ministries shows pastors the importance of a reconciliation ministry gives them a theological framework for peacemaking and provides practical tools for facilitating the peacemaking process Written by a pastor for pastors this insightful book will encourage and equip seminaries and ministry leaders in their original calling promoting a culture of peacemaking in the church

Peacemaking Church Small Group Participant Peacemaker Ministries, 2018-08 The small group participant guide for The Peacemaking Church DVD seminars God calls every Christian to be a peacemaker but what does that look like in real life Most of the time biblical peacemaking simply means two friends meeting together over a cup of coffee and asking each other How does the gospel of Jesus Christ affect how you should respond to this conflict As you learn to live a lifestyle of reconciliation you ll see that peacemaking sometimes comes with cream and sugar This Peacemaking Church small group kit includes everything your church needs to pursue peace together in ministry

The Highest of All Mountains Samuel K. Sarpiya, 2021-03-18 This book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time Peacemaking is a core part of our Christian discipleship just as we learn how to pray just as we learn how to love our neighbors just as we learn how to feed the hungry We can also learn how to be peacemakers Sarpiya believes that peacemaking is central to the Christian faith and practice This book will serve as a guide that will offer a scriptural guide with practical stories and applications Readers will be challenged by Scripture to take the call to peacemaking into their communities The fact that numerous peace treaties have collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained durable peace The one

place that one could look to for answers about how to move toward peace is within faith communities and sometimes not just one faith acting alone but working alongside other faiths in concert with other faiths taking an interreligious approach The Highest of All Mountains shows how Sarpiya's Christian peacemaking backed by the interreligious approach brings the monotheistic faiths together as they all agreed on one denominator to their faith's origin Abraham

Hennemeyer, 1994 Written from varying ideological perspectives but united in a concern for the application of moral values to international relations this is a provocative and timely contribution to debate about the current and future course of foreign policy from back cover

Religious Contributions to Peacemaking David R. Smock, 2006

The Peacemaker Ken Sande, 2004 Jesus said Blessed are the peacemakers But it often seems like conflict and disagreement are unavoidable Serious divisive conflict is everywhere within families in the church and out in the world And it can seem impossible to overcome its negative force in our lives In The Peacemaker Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease fire but also unity and harmony Sande takes readers beyond resolving conflicts to true life changing reconciliation with family members coworkers and fellow believers Biblically based The Peacemaker is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers confidence as they stand in the gap as peacemakers

The Church As the Family of God Lievin Engbanda Lingonge, 2004-11 This book is intended to be a contribution to the Congolese church's response to the reconciliation and peacemaking process The authors assumption is that when the local church in the Congo becomes a church family it will be able to integrate the reconciliation strategies emerging from the culture of the people into the theological reflection and pastoral praxis for peacemaking and reconciliation Concretely the Congolese church which is committed to reconciliation and peacemaking has to become like an extended family a lineage a clan or a tribe Through cultural and Christian rituals the church must bring together a people divided by conflicts and violence
